Yesterday. It may be just a day ago or many years ago. A time when we didn't care what others thought of us. We were free to do anything we wanted without fear of criticism.

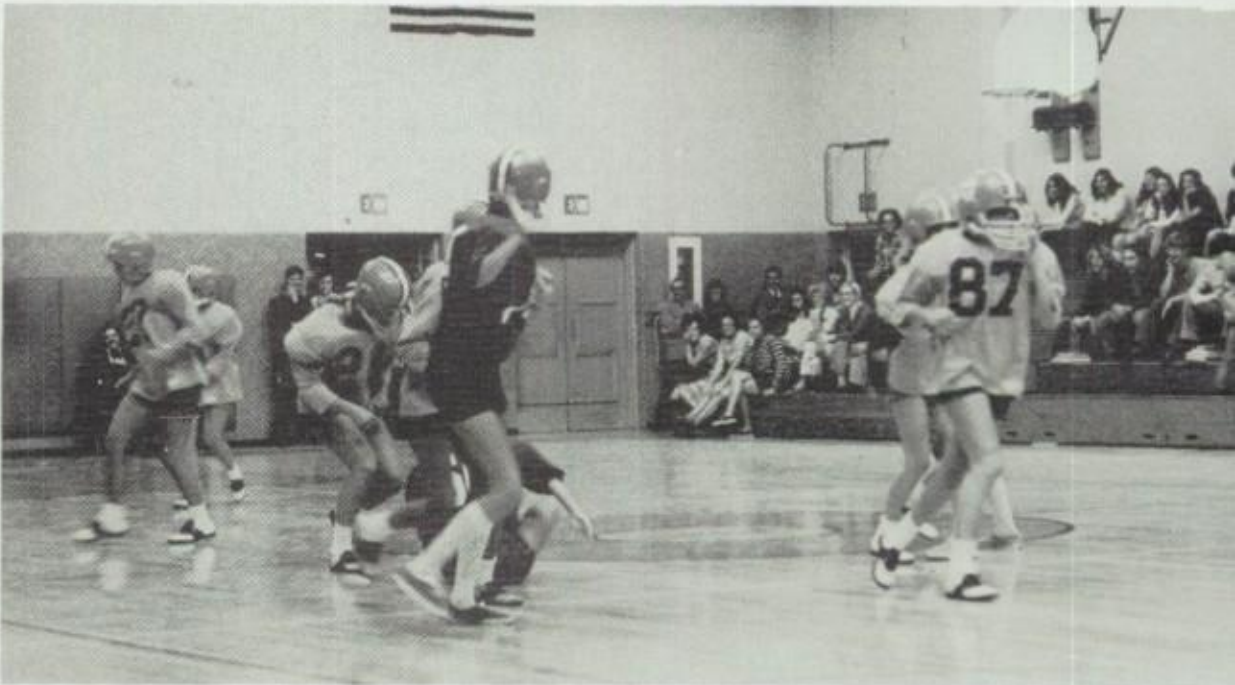

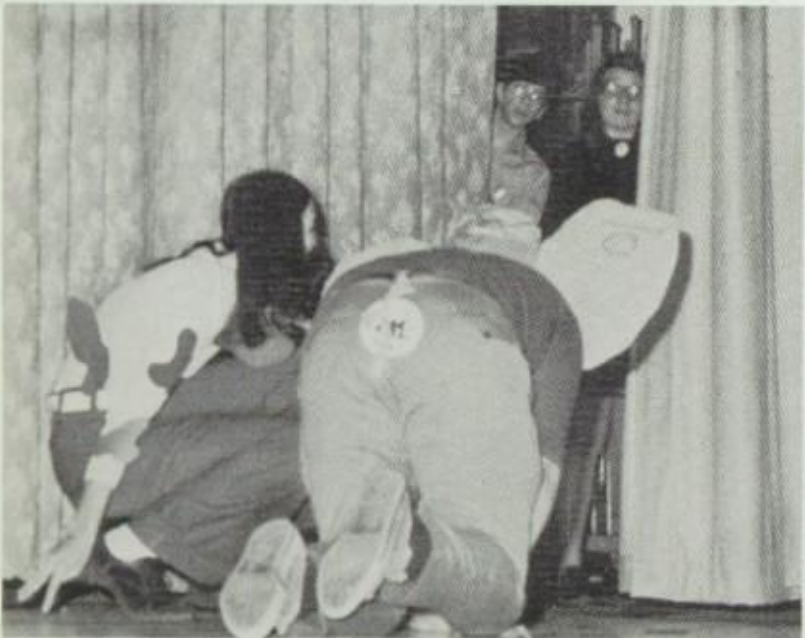

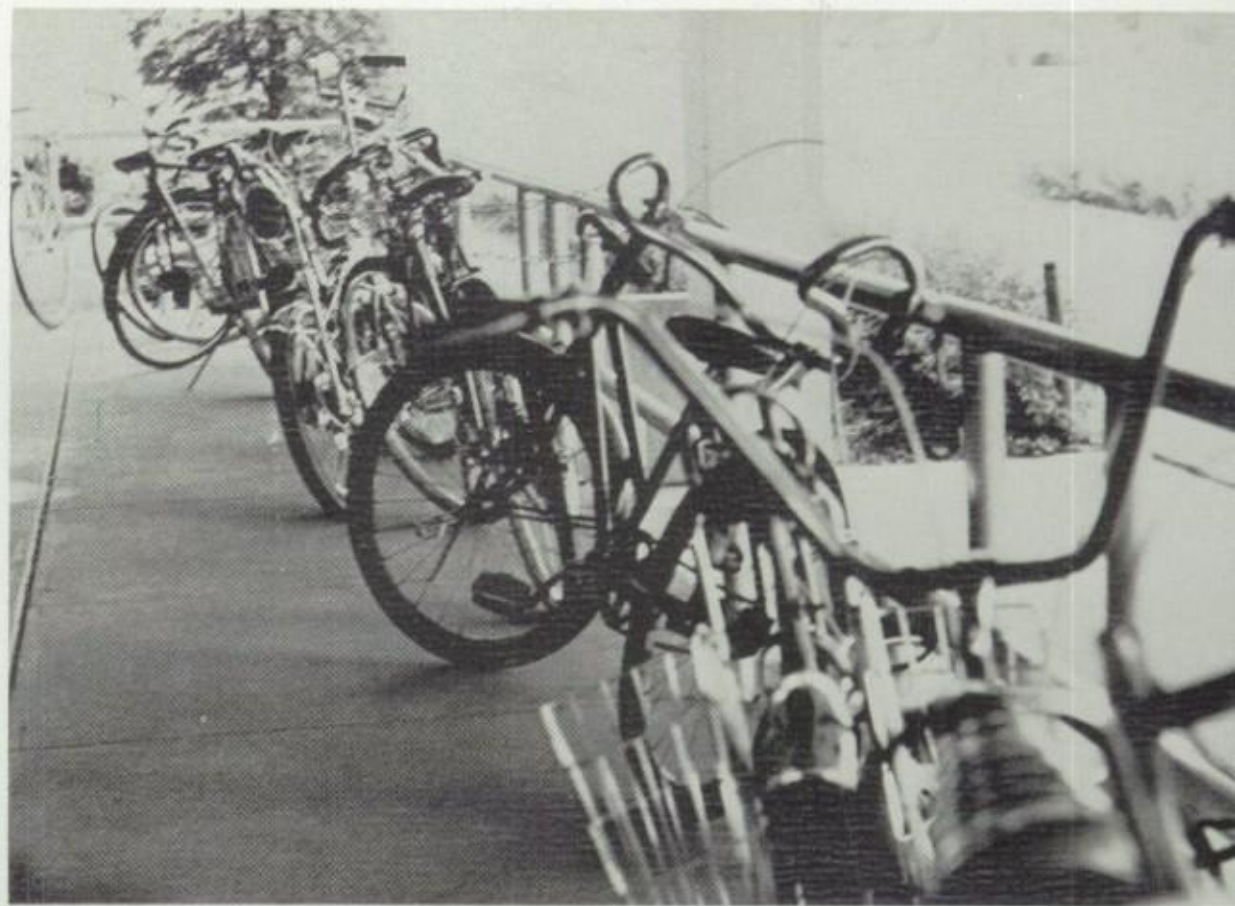

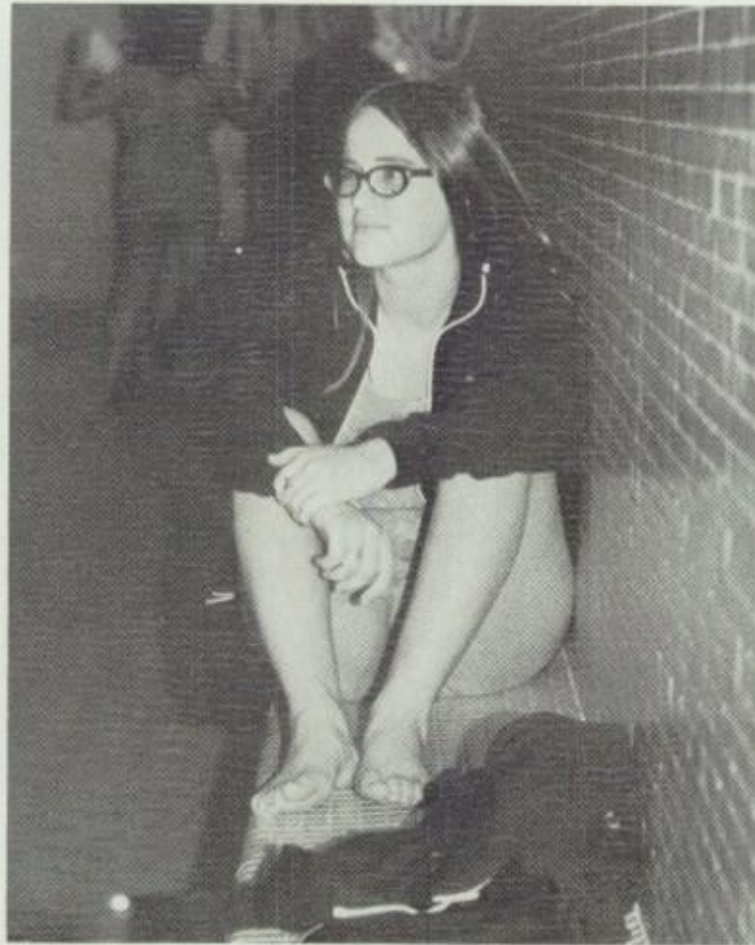

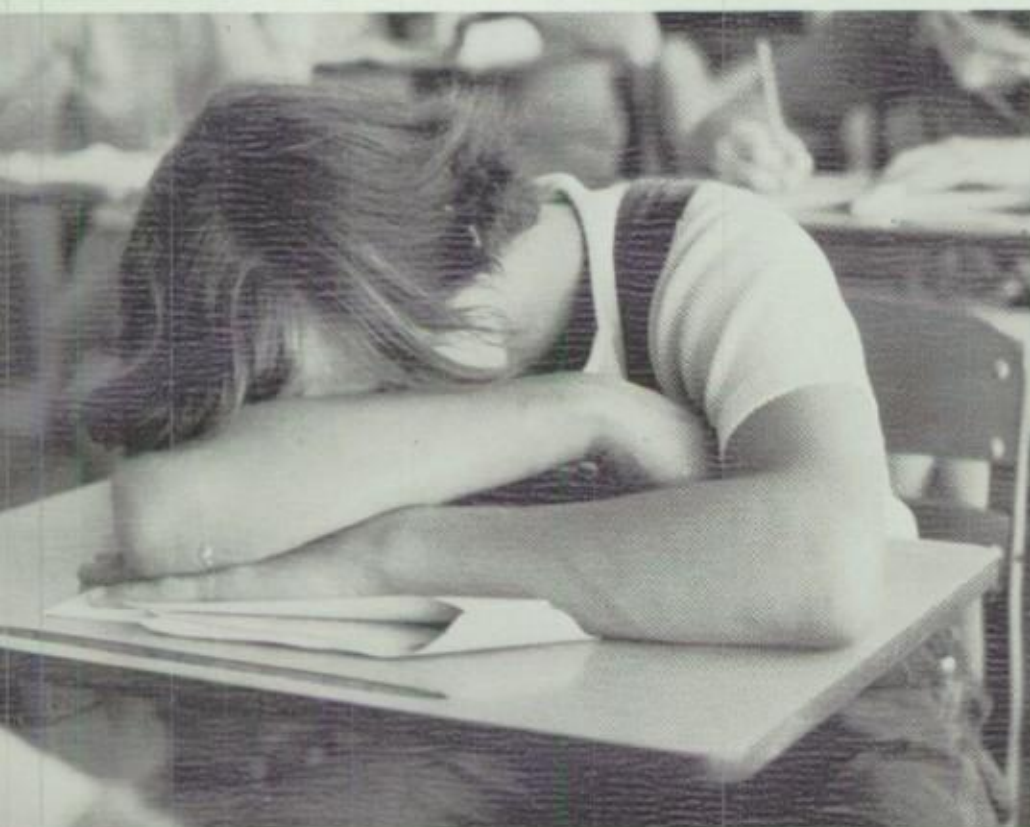

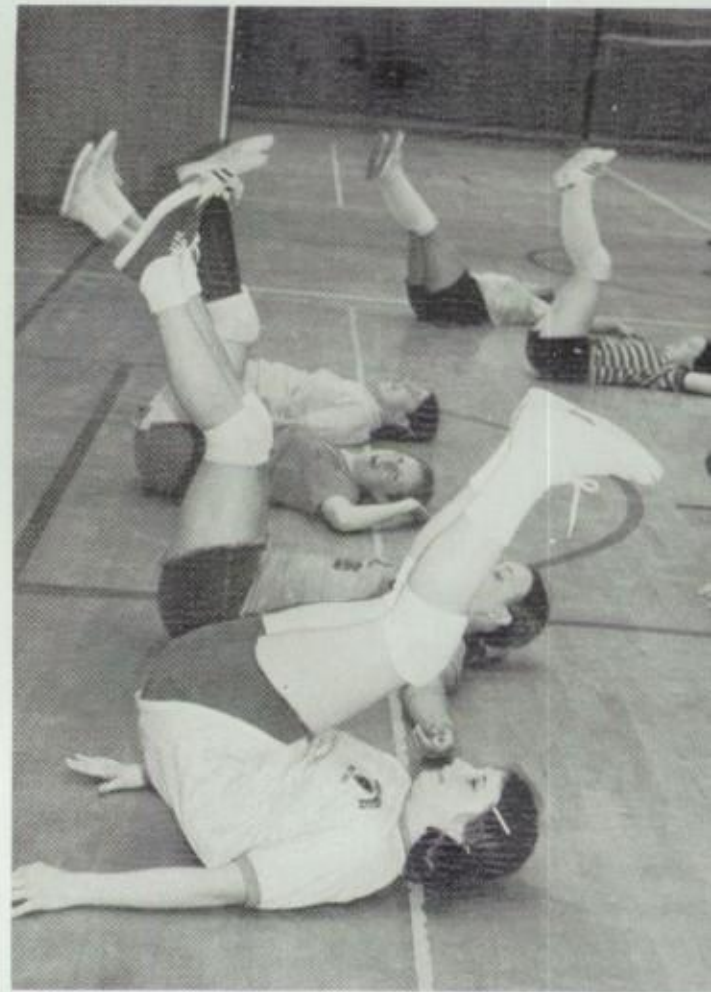

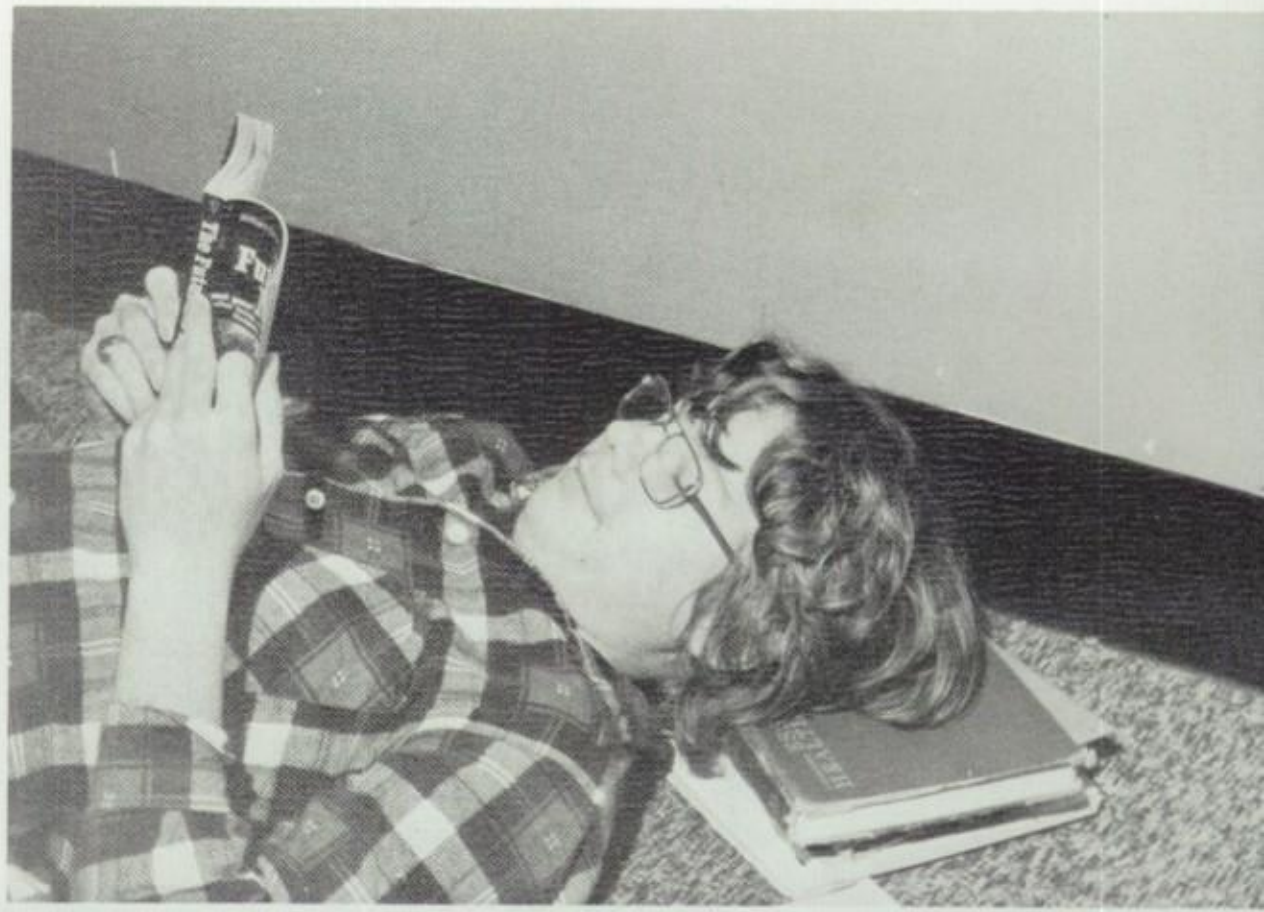

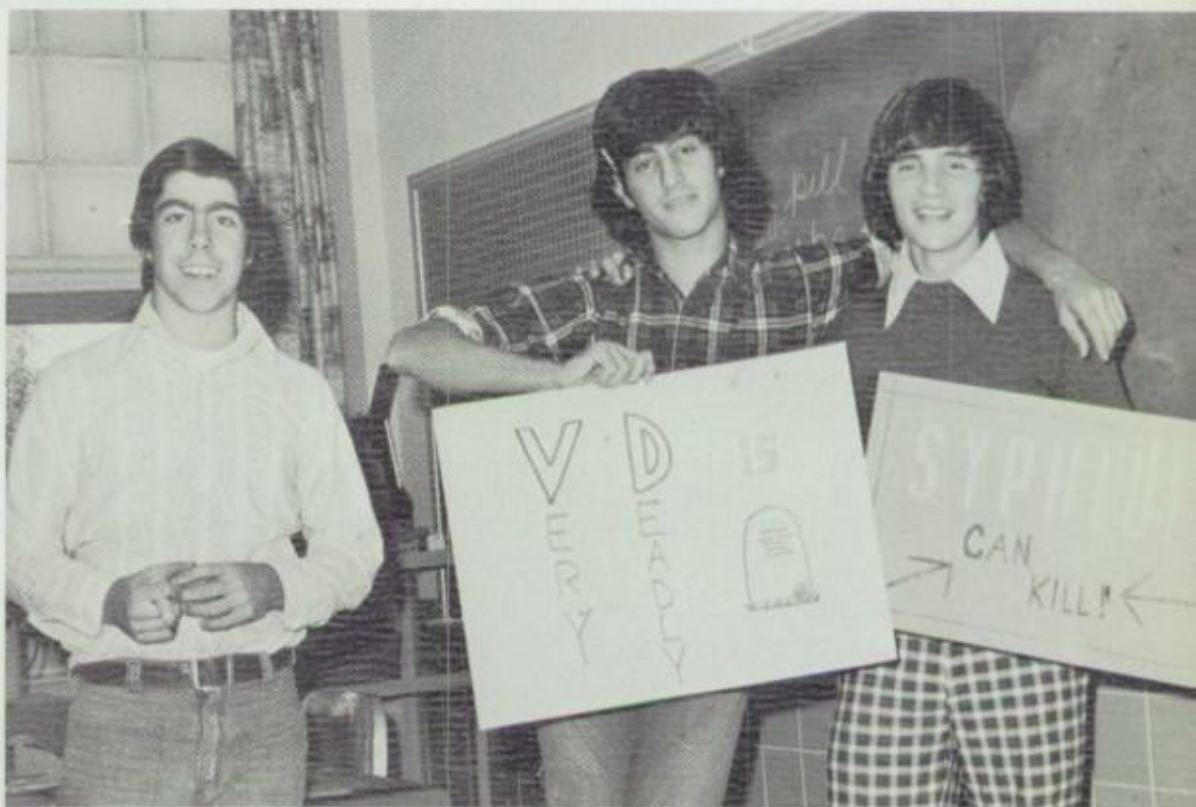

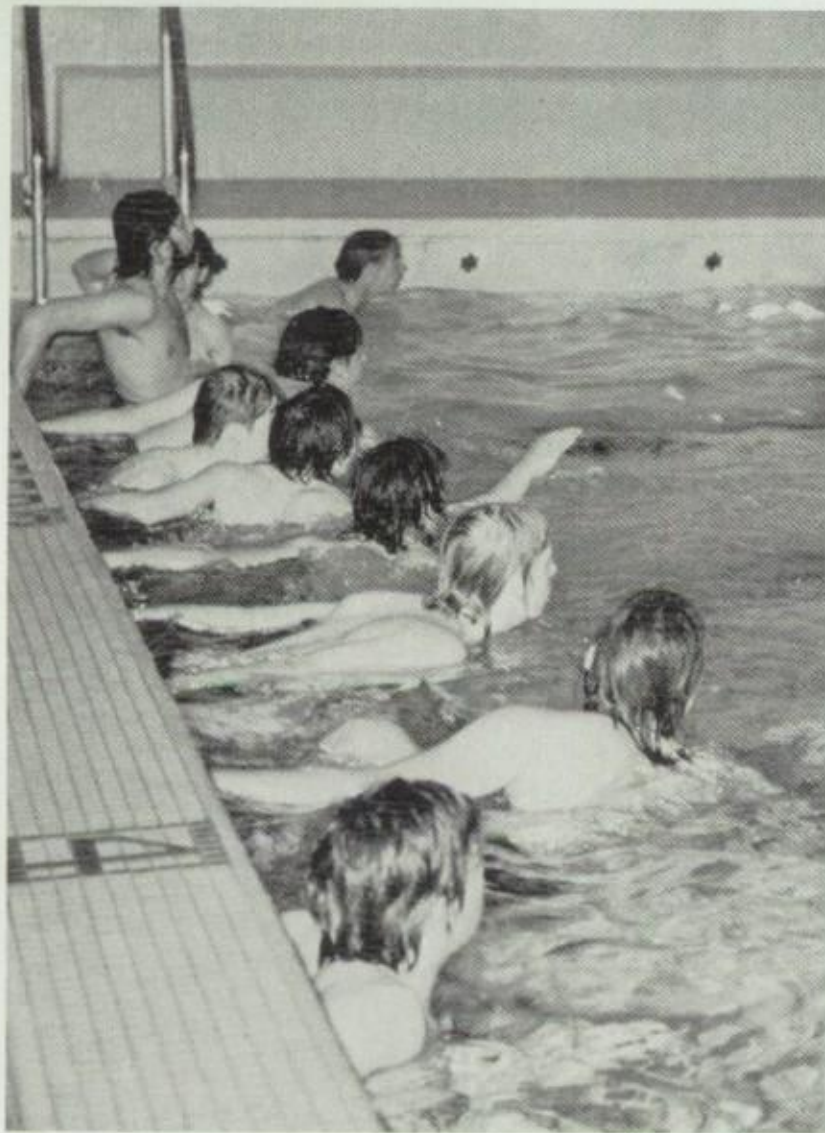

Today is here and now. It is the rush in the halls during classes, assemblies, sports events, lunch, dates, and just running around for fun. It is the same routine day in and day out, but each day differs.

Volleyball

Attempting to retain the title of county champions, the 1973 volleyball team started well. Under Miss Herrman's guidance, the team soundly defeated its first five opponents. But the team's downfall came as West York and Susquehannock ruined its chances of receiving the title for the third year in a row.

Winning all other games, the team placed second in the Eastern Division. Junior Varsity took laurels as champs of the Eastern Division.

Baseball

Team effort gained the 13-6 standing in the Eastern Division for the 1972-73 Trojan baseball squad. Coached by Mr. Bushey, who was assisted by Mr. Hasenfuss, the team advanced all the way to the division play-offs, only to be defeated by Eastern, 4-1.

Some of the more outstanding players were singled out by Mr. Bushey. Scott Bupp had a new season high of 24 RBI's, and Mike Graybill batted a remarkable .389 for the season. In one of the more sensational games, Steve Spencer batted a homerun to secure the team's victory against Kennard Dale.

Mr. Corbett coached the J.V. team to a 5-3 record.

Senior High Track

Despite a small number of prospective track team members turning out for the sport, the coach, Mr. Schonewolf, felt that those who did perform did a good job. He added that he was pleased with the 4-4 record and cited the following boys for their performances:

Bob Hughes, Brian Libert, Austin Robison, Dave Robinson, Don Schultz, Jim Seebold, Trip Spinner, and Rod Stauffer.

Row 1: G. Scheffer, D. O'Brien, S. Moyer, B. Petraco, J. Casella, D. Heffner.

 Row 3: M. O'Donnoghue, B. Kane, G. Motley, F. Irving, M. Feinstein, S. Ward, B. Bonnevere.

Junior High Track

Although the Junior High track team lost all their meets, Mr. D. Miller, the coach, said there was a lot of outstanding effort. There were many good individuals, but, as Mr. Miller paraphrased it, "a good team is more than good individuals." Class A was very good, but the lack of turnout showed up in Classes B and C. Mr. Miller cited Jack Fickes, Mike Stine, and Tom Steffee for their performances, and said he is looking forward to his second year of coaching.

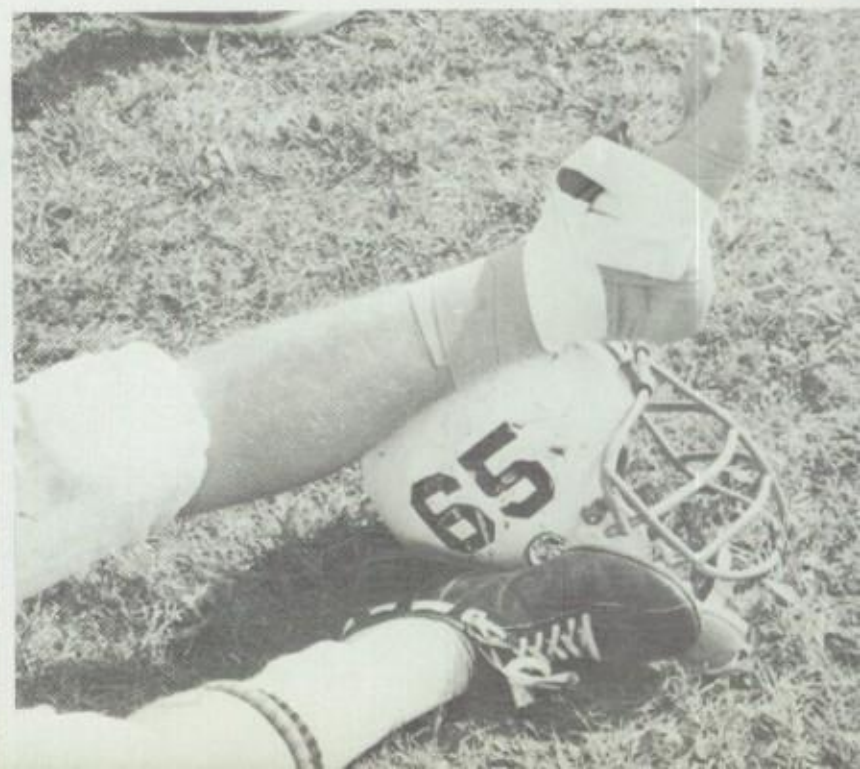

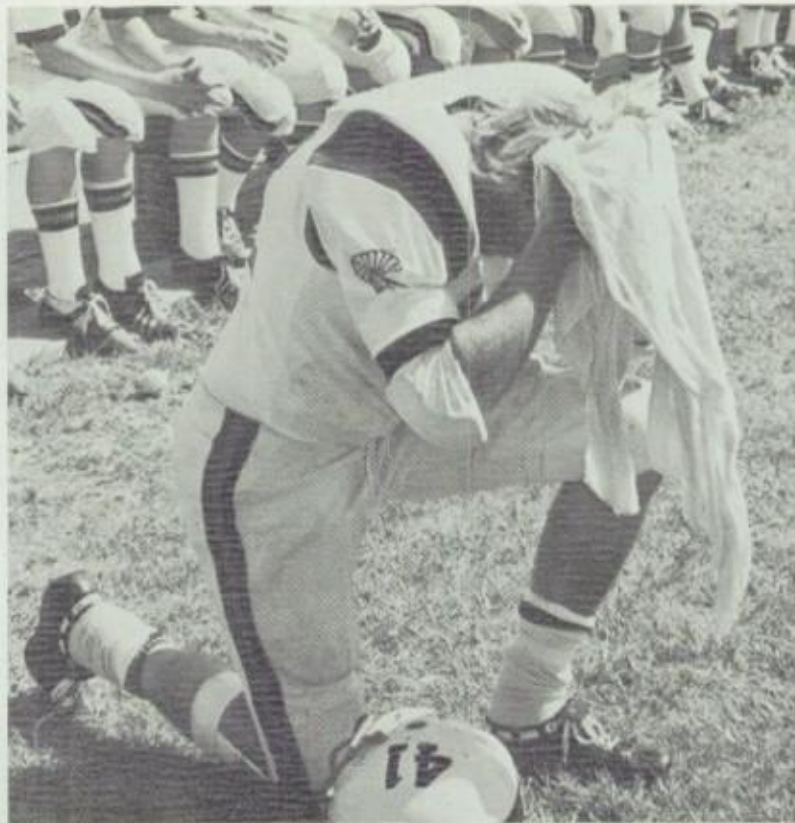

Football

Changing hands for the second year in a row, the 1973 Trojans coached by Bob McCoy were determined to reach the top. The Trojans were overcome twice, though, and placed second in the league, with an 8-2 standing. The season began with the first win ever over Lancaster Catholic. As the season progressed, the Trojans continued to defeat their opponents, only losing once to Dallastown, in their first six games. Many called the seventh game against Red Lion, "the best in league competition," however, the Trojans were taken by two points. The whole team was outstanding, and one of the best to be seen at Suburban.

Junior High Football

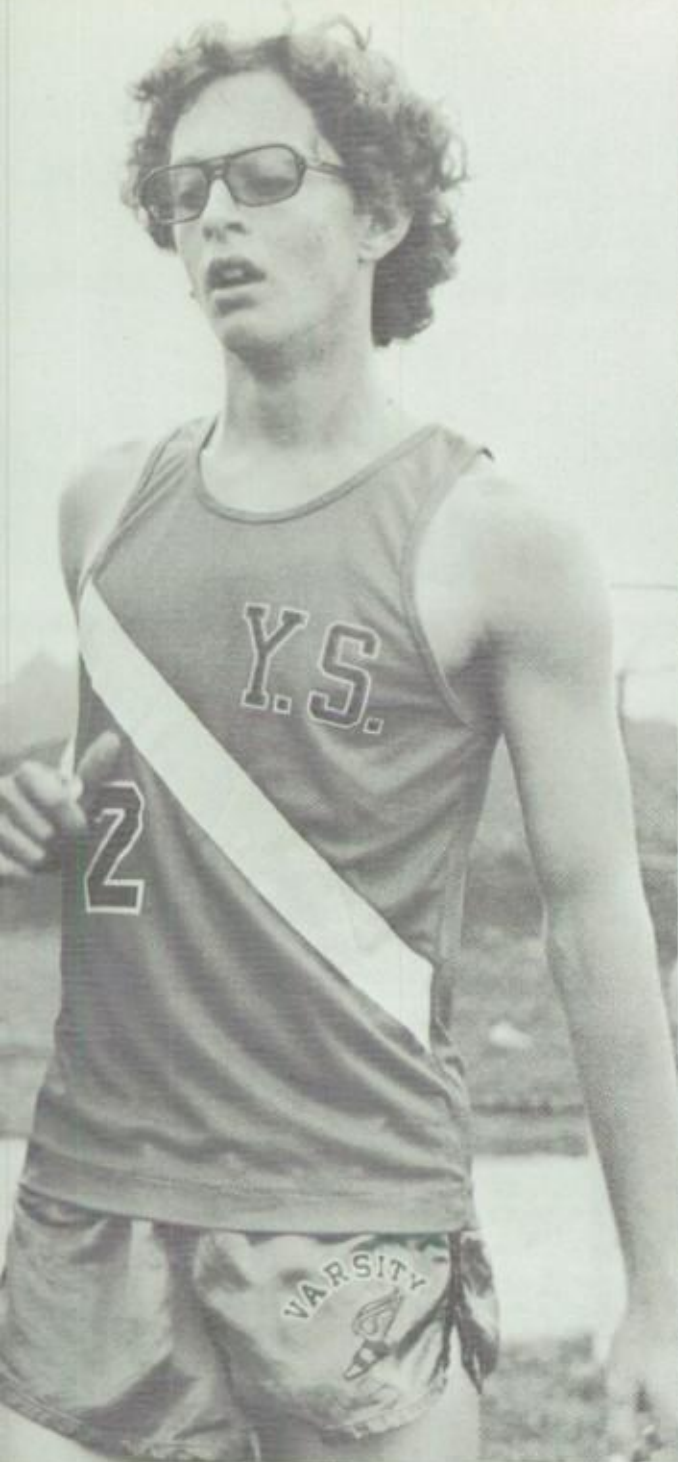

Under the direction of first year Coach Foster, the Junior High Football squad completed its season with two wins, two losses, and two ties. Mr. Foster cited Tom Steffee, Gerard Paradise, Phil Grim, Doug Deardorff, John Hunt, and Randy Jacobs as some of the more outstanding players. In the last game of the season, the Junior High team battled first place North Hills to a 0-0 tie. As a result of the team's hard work in this, their best game of the season, North Hills was knocked out of first place in league standings.

Row 1: John Cassimatis, Dave Hammond, John Kastner, Jim Fiorelli, Jeff Couch, Paul Johnescu.
Row 2: John Smith, Dave Wilens, Bob Deatherage, Brian Kane, Terry Crimmons, Tim Swartz, Coach Ludwig.

Cross Country

Although braced by only two returning lettermen, Mr. Ludwig's cross country team captured third place in league standings with a 6 wins — 2 losses record, 10-3 overall. The highlights of the season were wins over York Catholic, Eastern, and Central. The top five runners included John Cassimatis, Jim Fiorelli, Jeff Couch, and two Junior transfers from New York, Dave Hammond and John Kastner.

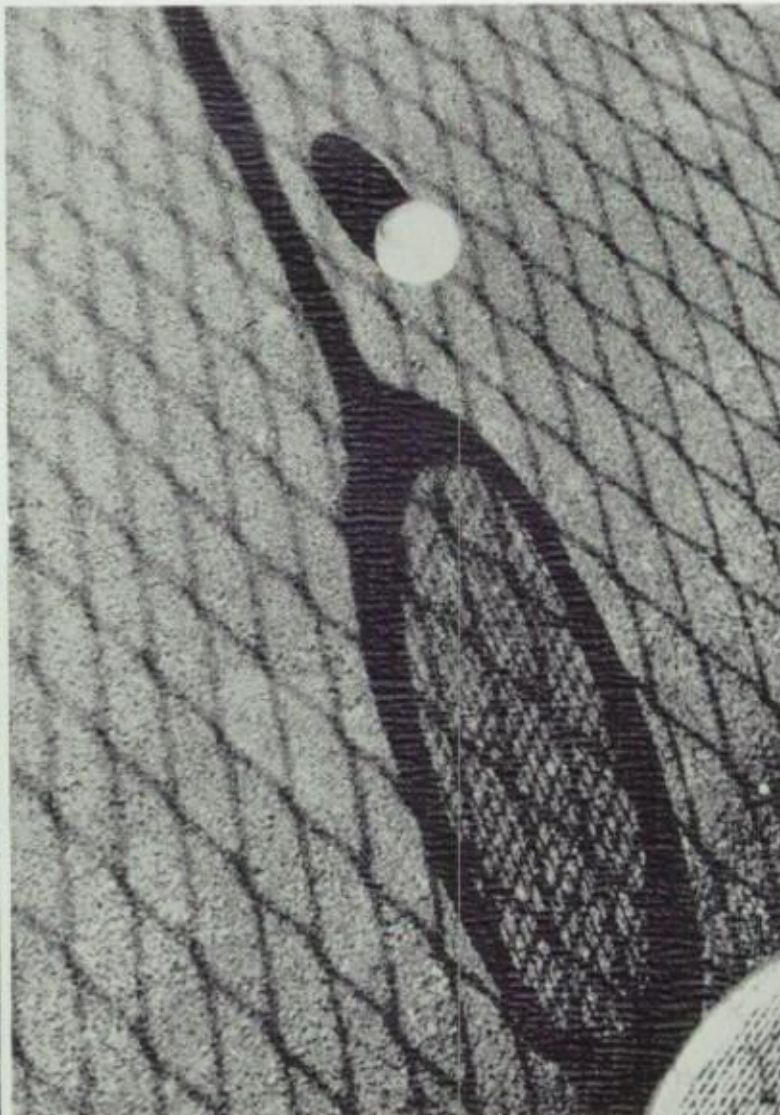

Row 1: C. Hochberger, T. McCracken, P. Gailey, G. Church, B. Long.
Row 2: Mr. Blair, R. Lowell, R. Snyder, D. MacEslin, N. Davis, A. Plesset.

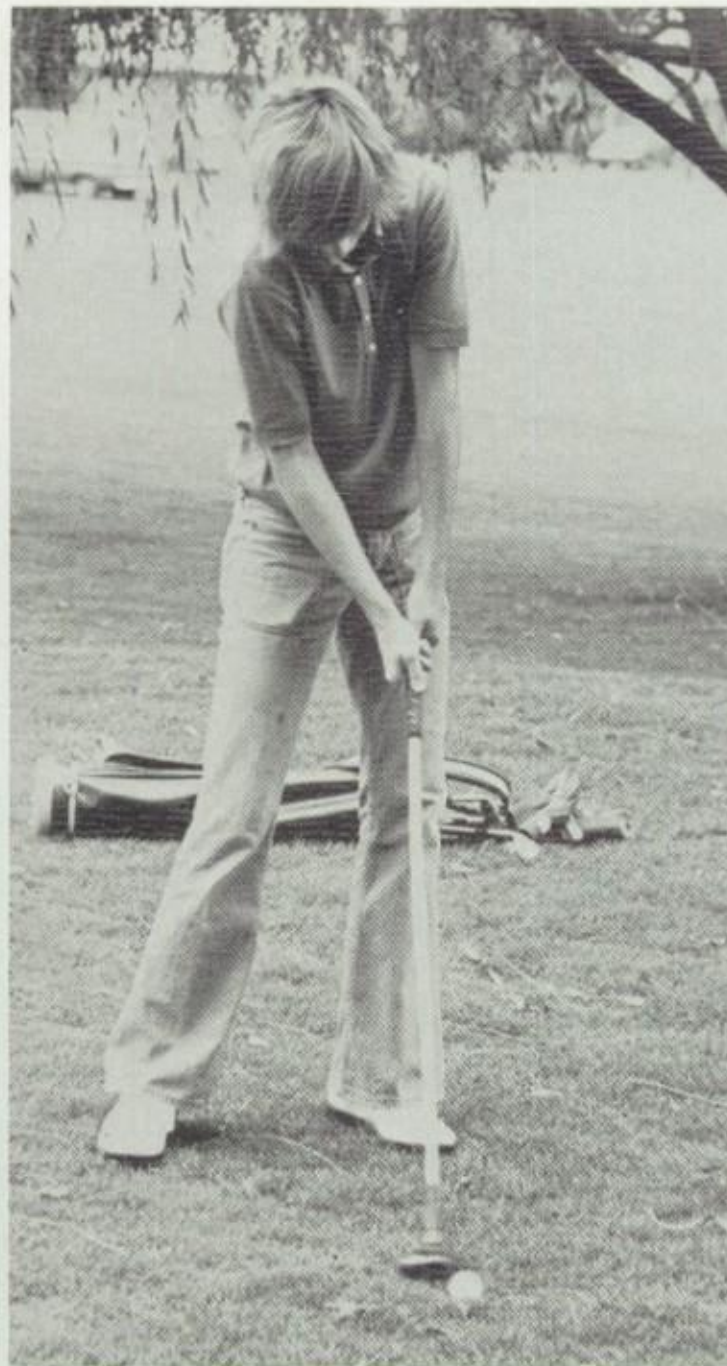

Tennis

Mr. Blair's last year of coaching was very successful, as the tennis team once again captured the county championship. Defeated by Northeastern early in the season, the team won all other matches, and then returned to beat Northeastern for the title of champion. Contributing to the 13-1 standing were seniors Bill Long, who has been number one in the county the past two years, and Greg Church, undefeated for two years in all of his matches. Mr. Blair also cited underclassman Randy Snyder as contributing to the wins.

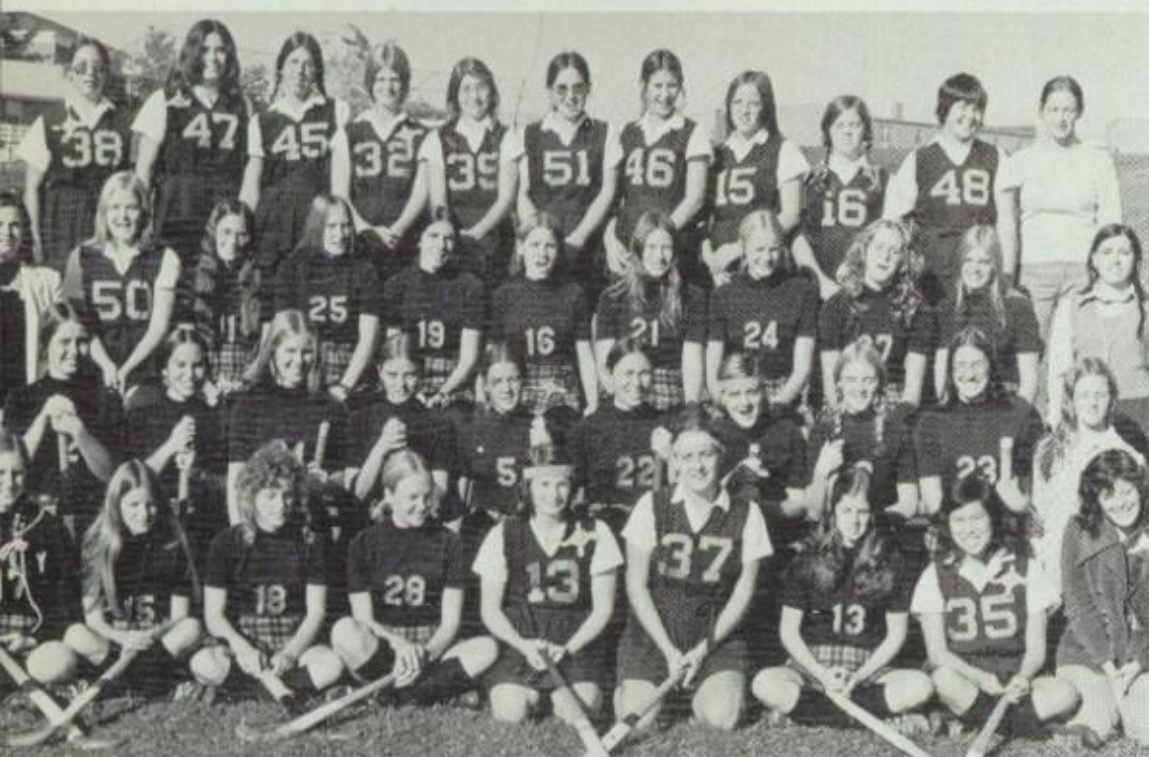

Golf

By coincidence, this year's golf team, under new head coach Mr. Ray Lingenfelter, ended up with 4 wins, 5 losses, and 1 tie, the same as last year's team. However, this record gained third place in the conference for this year's team, in comparison to fourth place for last year's team. Suburban's golf team tied the undefeated Dallastown team, knocking them out of first place, and destroyed their chance for a championship. Mr. Lingenfelter cited Tim Jones as his most consistent player, but had praise for all his team members.

Row 1: D. Duroche, T. Wandell, D. Jones, J. Drude, R. Cusson.
Row 2: Mr. Lingenfelter, G. Neff, E. Ebling, B. Deardorff, H. Stein, G. Gannett, T. Jones, T. Burke.

Row 1: D. Zortman, L. Troiani, K. Donovan, K. Weir, D. Prescott, J. Thorsen, K. Kordenbrock, D. Wong, K. Evans.
 Row 2: K. Hevner, L. Keiser, J. Jaquet, V. Wise, S. Wertman, L. Shue, S. Ilgenfritz, P. Julius, L. Shouck, A. Stearns.
 Row 3: Miss Sterner, L. Sechrist, D. Farrel, P. Dennes, S. Reisinger, B. Shepard, S. Henry, C. Moro, C. Chambers, N. Maloney.
 Row 4: A. Stover, S. Deardorff, S. Shouck, J. Myers, S. Keesey, K. Einsig, B. Drawbaugh, J. Langenhop, C. Holmes, L. Knisely, B. Thompson.

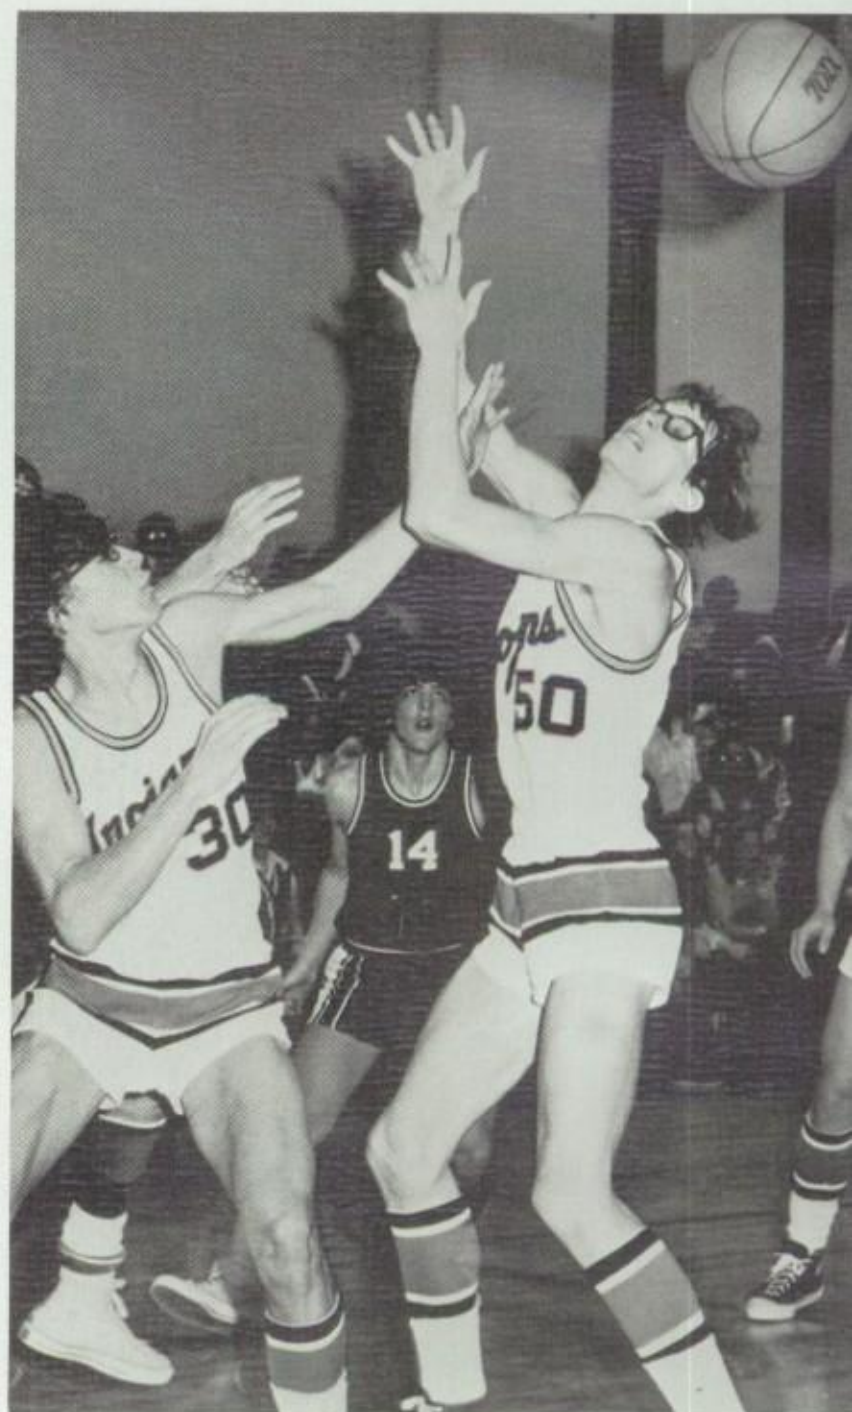

Field Hockey

The four losses and two ties were enough to hold the hockey team, coached by Miss Sterner and Miss Ranzinger, to sixth place in the league. After winning their first two games, the team became erratic, and even outstanding individual effort could not earn it more than a total of four wins. The fact that the team had some very good players was evidenced when thirteen girls received varsity jackets, Miss Sterner complimented all these girls, and said she is looking forward to next year.

Row 1: D. Fink, B. Epstein, T. Reed, F. Irving, C. Sowers.
 Row 2: G. Smith, T. Carbaugh, M. Cutwright, J. Fickes, P. Serls.
 Row 3: B. Shue, M. Mckercher, S. Dewoff, B. Bosserman, S. Chud.

Sr. High Basketball

The 1973-74 basketball season for York Suburban was highlighted by a series of ups and downs which prevented the team from earning its second county championship. Coached by Mr. Hasenfuss, the team turned in a 11 win, 8 loss season, with the win over rival West York being one of the most exciting contests of the season.

Several records were established this season. Ron Rosen captured the record for most assists in a single season (154), while Steve Randall grabbed the record for most rebounds in a single season, 412 rebounds. Also Steve Spencer and Paul Hulbert gained fifth and seventh places respectively in the school's history of all-time scorers.

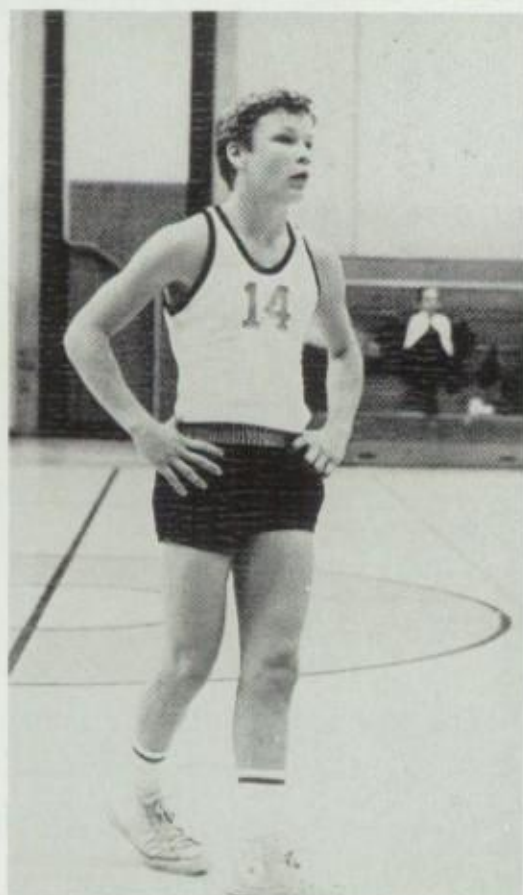

Row 1: S. Spencer, B. Long, R. Rosen, P. Hulbert, L. Johnson, G. Smith, J. Smith.
Row 2: R. Tracy, R. Eisensmith, M. Lipsitz, J. Cossimatis, J. Hechinger, S. Randall, R. Cornelius, J. Snell, J. Zerfing, Coach Hasenfuss.

Jr. High Basketball

Capturing a third place position in Junior High Basketball league competition, Suburban freshman boys finished the season with a record of 8 wins and 4 losses. One of the most exciting games of the season involved a devastating defeat of Dallastown, the team in second place.

The Junior High Junior Varsity squad completed an undefeated season under the coaching of Mr. David Meanor.

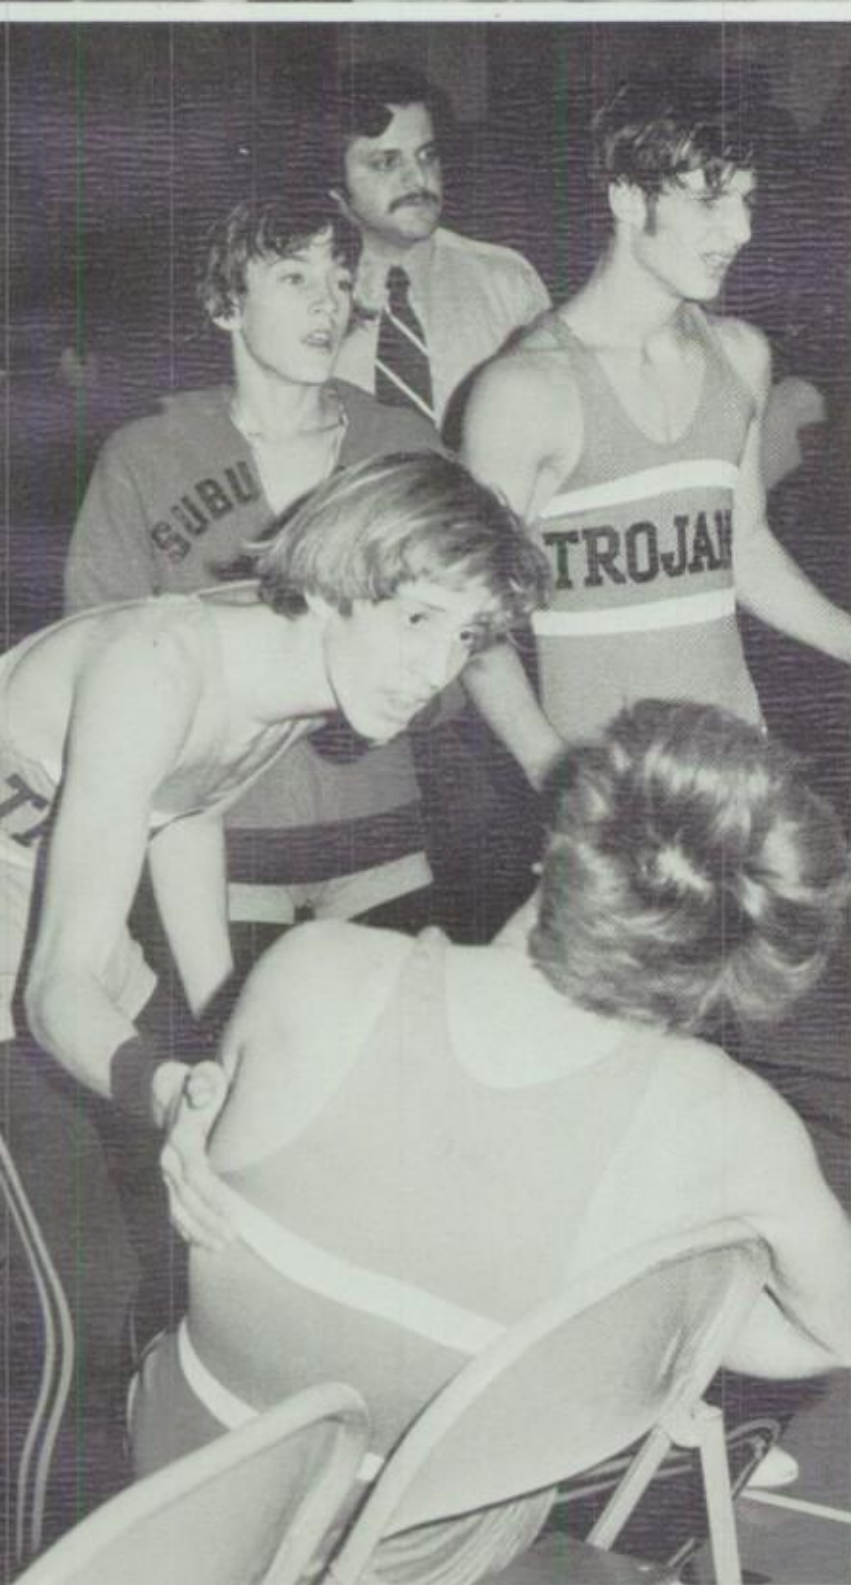

Eric Rosen, Phil Hausman, Tom Steffee, Steve Stanko and Bob Williamson were cited for their efforts during the season.

Row 1: B. Williamson, T. Steffee, R. Hollinger, F. Deines, S. Stanko, D. Roser, P. Hausman.
Row 2: R. Burchell, J. Grey, Q. Walton, F. Lewski, J. Santarsiero, E. Rosen.

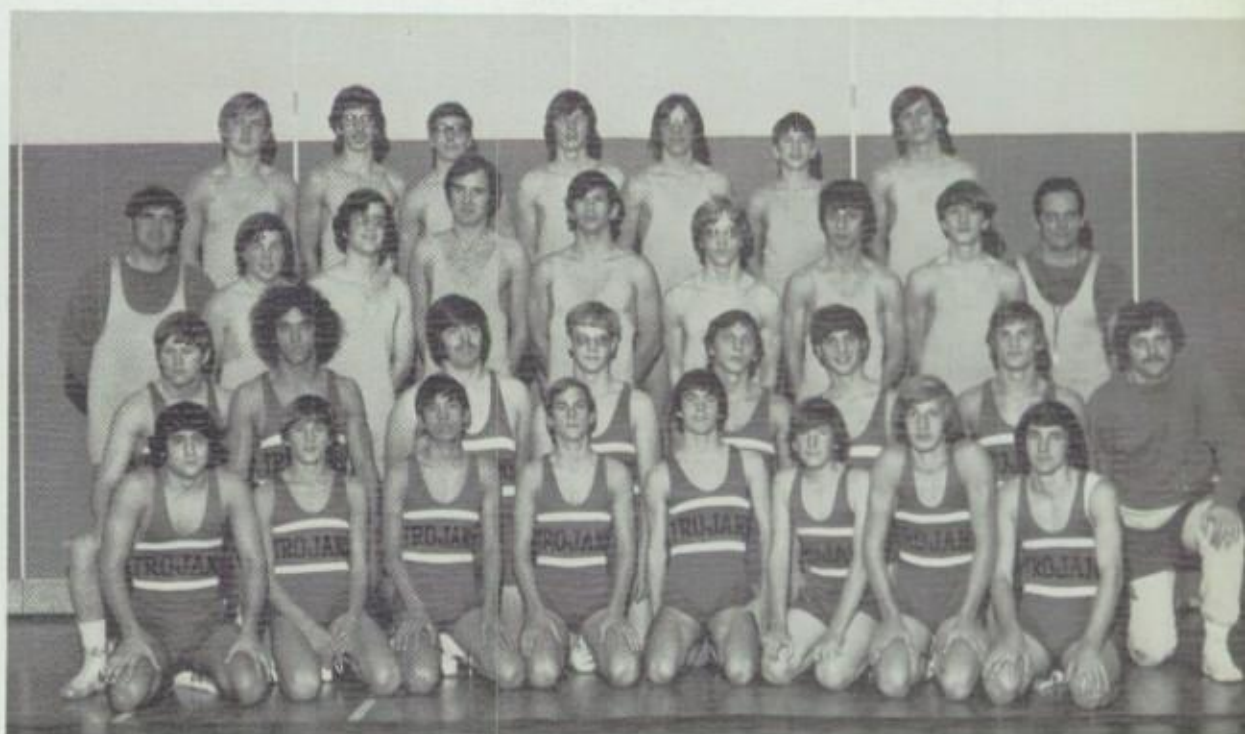

Sr. High Wrestling

Despite five straight losses at the beginning of the wrestling season, the York Suburban Trojans rallied to complete a 6 win, 7 loss, 1 tie year. With a young, inexperienced team for the most part, Coach Robert Brown noted that a number of matches were lost by five points or less.

The varsity wrestlers pulled several surprises during league competition, upsetting York High 40 to 10, wrestling the perennial Dallastown champions evenly through the 154 pound weight class, and defeating Southwestern in a match where York Suburban was supposed to be the definite underdog.

Jeff Smith (145), Keith Plowman (112), and Brian Liebert (185) all won their qualifying rounds in district competition and competed at the Farm Show arena in Harrisburg. With his record of 18 wins and no losses, Jeff was seated number one at the Eastern District tournament.

 Row 3: B. Srygley, D. Barnhart, M. Helrung, D. Anderson, D. Church, P. Swart, D. Imhoff, T. Waltemeyer.

Jr. High Wrestling

Although the Junior High wrestlers ended their season with only two wins, much effort was shown by squad. The wrestlers could often be seen running through the halls to build up their endurance. Coached by Mr. Ron Thompson and Mr. Gilos, wrestler Roger Chisnell gained the best record for the team, 7 wins, 1 loss, and 1 tie.

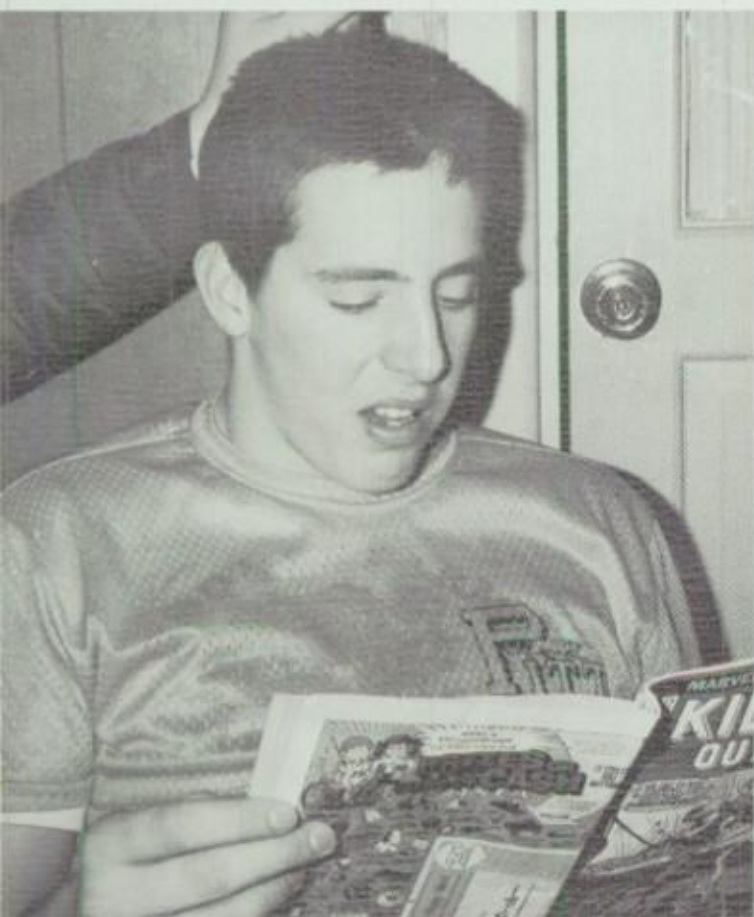

Swimming

Although some fans thought Suburban had lost most of its swimming talent at 1973 graduation exercises, a sparkling record of 13 wins and 2 losses proved that "Guyer's Guppies" still had more than their fair share of talent. For the second consecutive year, the team won its own Holiday Invitational Meet and captured a second place position at districts. Mike Young, Jim Smith, Tom Wandell and Scott Weir were sent to state, with Scott setting the record for the 500 yard free style competition. Mike Young served as captain of the team, with Al Brader and Jim Smith acting as co-captains.

Row 1: M. Young, M. Barton, J. Hangleland, D. McCloskey.
 Row 2: A. Stambaugh, K. Ponta, T. Wandell, B. Barton, M. Thorson, T. Whittemore.
 Row 3: J. Smith, N. Berg, Coach Goyer, Coach Barren, H. Berger, R. Brader, S. Weir, D. McEselin, K. Tethero, B. Bennevier.

Cheerleading

As many York Suburban students head home at 3:32 on Thursday afternoons, weary after a hard day at school, there are 33 dedicated girls who don't. The three squads of cheerleaders practice 1 1/2 hours every Thursday from September to February. Not only do these girls give their cheering support to the basketball, football, wrestling, and swimming teams, but they also make posters and sometimes bake "goodies" for the teams. The varsity squad captains are Kathy Weir and Nancy Lefever. All three squads are coached by Miss Jane Miesky and her assistant Miss Ness.

Intramurals

Intramurals play an important part in any school, opening up sports to more people. This year, girls completely dominated all intramural activities — a big step for "Women's Lib." Offered during the spring were softball (coach — Mrs. Chandler), tennis (Mrs. Wineman), and track (Mrs. Zarfes). In the fall, Mr. Larry Thompson, a newcomer to Suburban, coached the girls' basketball team. For the consecutive year, Mrs. Zarfes coached the girls' swimming. Although this was the first year for most of the coaches, it was evident that all five teams had much success. There is hope that some day these sports will become varsity sports; but for now, they are just good sources of fun and sportsmanship.

Today's Activities

Junior Class Play

Directed by Mrs. Schazberger, "Night Must Fall" was held on February 22 and 24 before a comparatively large audience for a play. The mystery took place in England, and involved a murdered victim with a missing head. The audience was amused by Vernon Tonges' antics, and the authenticity of Sheri Crumrine's accent astounded all. LuAnn Smith portrayed a realistic part; and the rest of the cast, too numerous to mention, deserves credit for an enjoyable play.

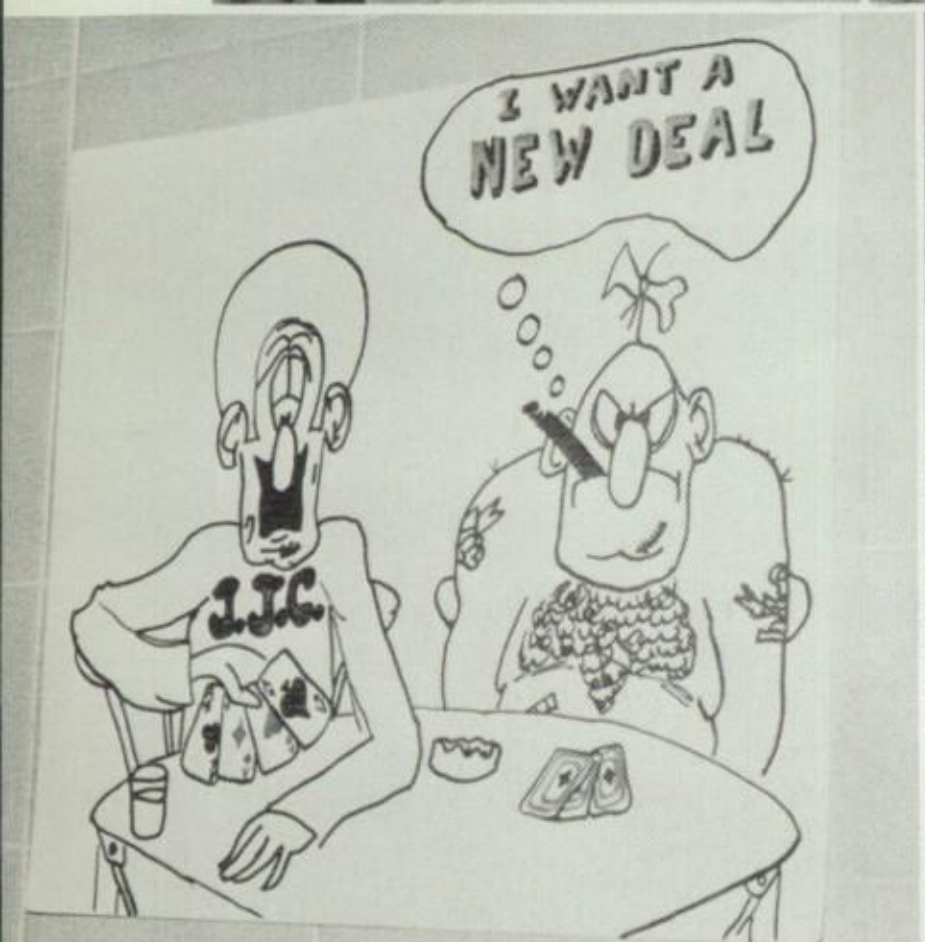

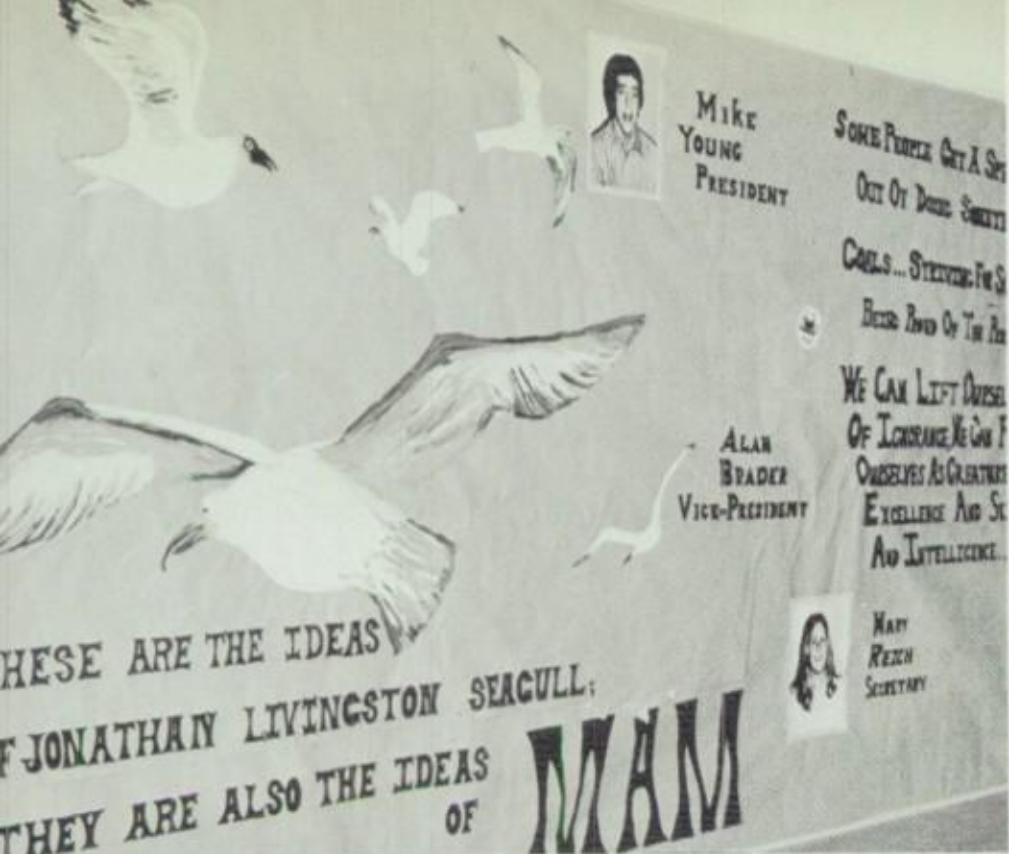

Fiddler On The Roof

"Fiddler on the Roof" was chosen for Mrs. Kraus' last musical. Performed before overflowing crowds, the musical was so good it brought some back more than once. Many persons were surprised by the outstanding talent that was revealed, and the musical was the talk of the school for days afterward. These musicians made the stage come alive as they performed the story of peasant life in Russia in the nineteenth century. Scott Woolley amazed people with his rendition of "If I Were A Rich Man." The whole audience stood at the end, showing their appreciation for a musical that said much for the directing and casting ability of Mrs. Kraus.

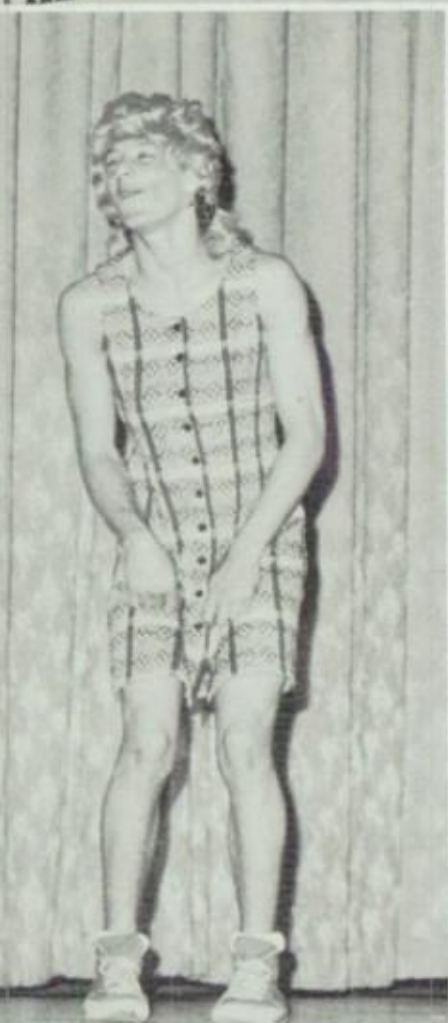

Elections

After much last minute shuffling, the candidates for the 1973-74 student council offices arranged themselves into 4 tickets. Two tickets contained persons running for all three posts, while the other two each had two candidates.

A harried two weeks of serious discussion, parties, and late night preparation was followed by a week of hard campaigning. The efforts climaxed with the presentation of platforms before a crowded auditorium.

Constant talk and rude whistling distracted voters from concentrating on the speeches. When the decision was announced that afternoon, Earl Bernstine, Jenny Shearer, and Jim Fiorelli had been chosen as the student council officers for the 1973-74 school year.

Tribute To Mrs. Kraus

On Friday night, May 25, former York Suburban students honored Mrs. Kraus by re-enacting scenes from past musicals at York Suburban. After three years of planning, these talented musicians filled the auditorium with song and dance for four hours. Mrs. Kraus was very deserving of this tribute after her forty-two years of service and dedication to the York Suburban School District.

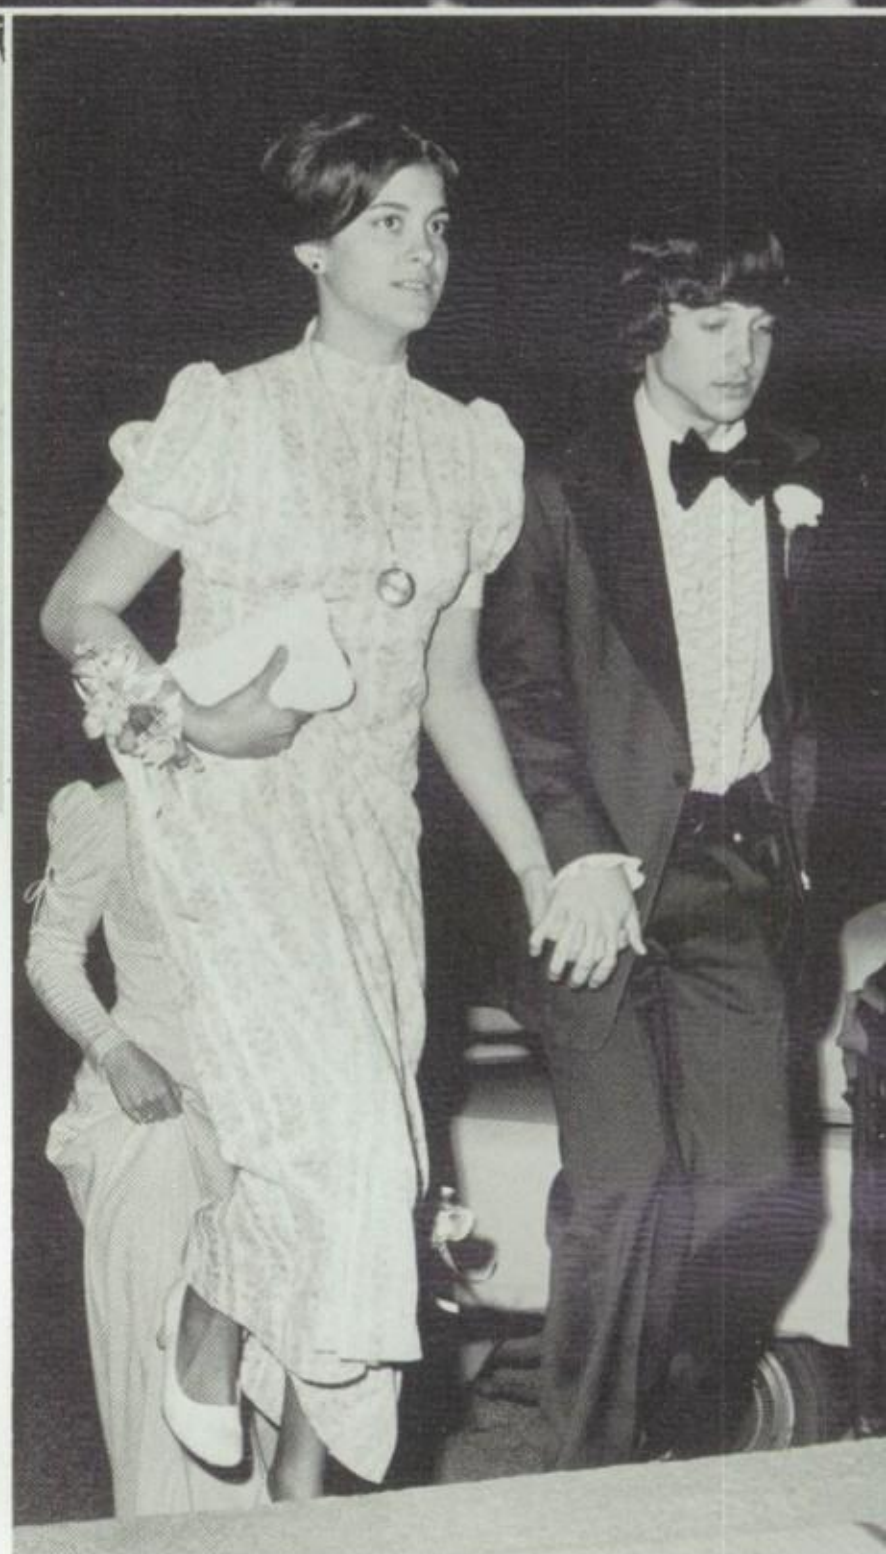

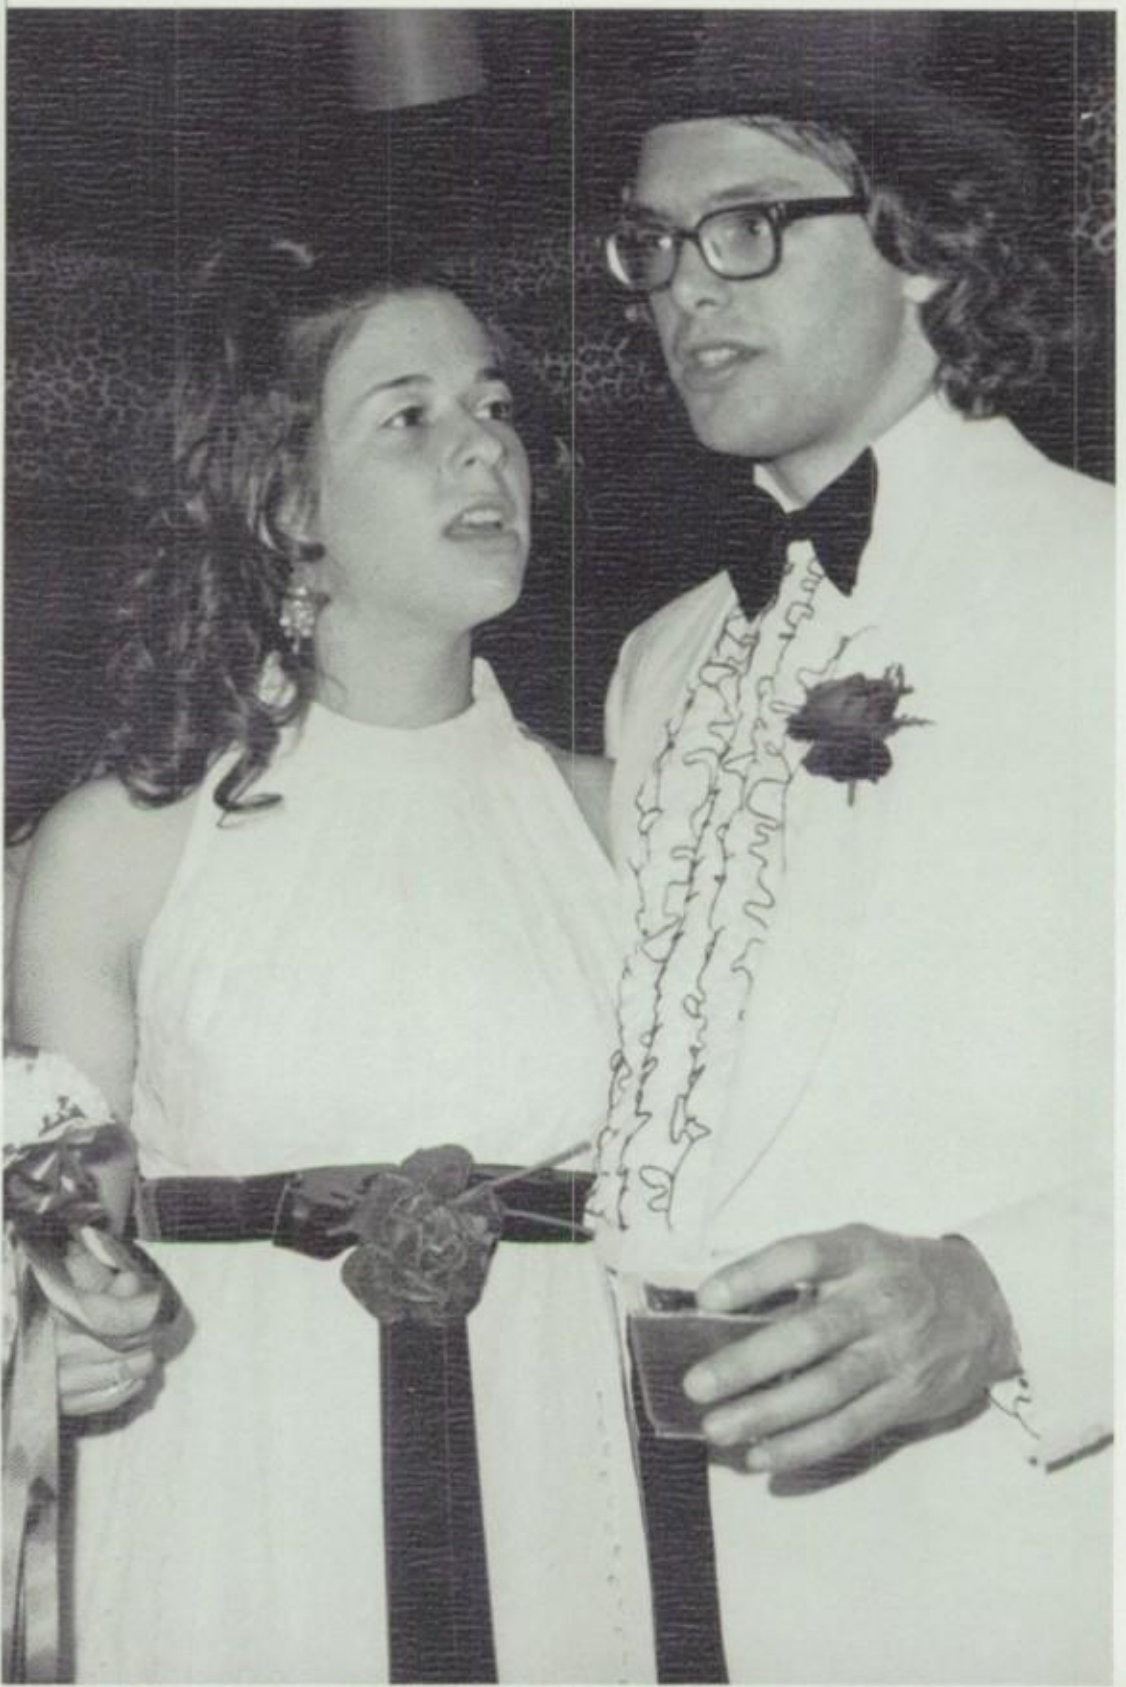

1973 Prom

Sponsored by the Junior Class, the 1973 junior-senior prom was held May 19 at the Red Lion Country Club with the theme "Spring Fever."

Despite some difficulties with students entering the dance without having paid for their \$6-tickets, some 300 students attempted to enjoy themselves at the dance amidst the heat, humidity, crowdedness, and the incessant beat of rock music.

John Srygley and Lisa Bernstein reigned as king and queen of the affair with a court consisting of Kathy Root and Steve Cassell, Jane Fulton and Jeff Deardorff, Vickie Cook and Craig Whitcomb, and foreign exchange student Annie Lang and her date.

Senior Day

Once again, Allenberry was the setting for Senior Day, June 5, 1973. The seniors enjoyed a beautiful, warm afternoon filled with swimming, sunning, volleyball, and football. However, it rained later in the evening during the dinner hour. The rain failed to dampen the general feeling of happiness which prevailed as the seniors danced to the music of the Blues Union Band and shared some of their last moments together as a class.

Graduation

The 1973 Graduation ceremonies took place as planned June 11 at 6:45 p. m. on the football field.

Even though the evening was warm, the impressive sight of the graduates' procession from the rear of the school to their seats in the audience sent chills up and down the spines of the proud parents and onlookers.

Speakers from the graduating class of 316 included Class President Scott Fickes, Brian Reigart, Valedictorian Deborah Shepard, Lori Sechrist, Jim Bolton, and Tom Sweet.

A basic idea brought forth by most of these graduates in their respective speeches was that of the ability to succeed in life without a college education and the apparent forthcoming trend away from college.

Mr. Wolfgang presented the class, and Superintendent Charles Lehman distributed diplomas.

Homecoming

Although the Trojan football team was narrowly defeated by Red Lion on Homecoming Day, Suburban's fans were proud of their team's hard work toward a near victory over the undefeated Lions. For the first time in a few years, all four classes worked very hard to produce original floats for the half-time activities. The Senior Class float received first place laurels. The week-end excitement started Thursday night, Oct. 18th, with a bonfire. All day Friday students were in an uproar shouting, "Beat Red Lion!" Many helped decorate the cafeteria Friday evening to the theme of "Space Odyssey." Climaxing the activities was the dance Saturday night featuring New Found Freedom. Kathy Weir was crowned queen by last year's queen, Vicki Cook, and reigned over a court consisting of Judy Farscht, Nancy Lefever, Ann Wolfe, and exchange student Astri Plener.

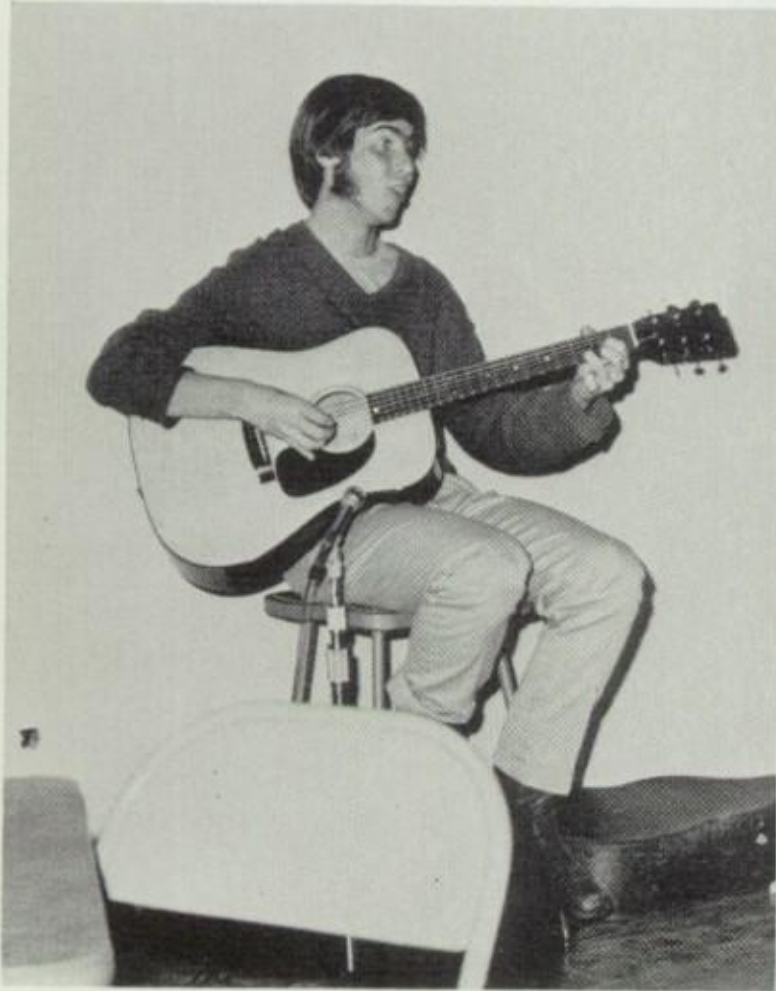

Thespian Society Play

On October 24th and 25th, the Thespians of York Suburban presented their play for this year, "Stage Door." Tragedy pervaded most of the scenes, but the happy ending satisfied most members of the audience. Actresses, often unemployed, predominated the cast. The play was sparked by a suicide, the "discovery" of one actress, the marriage of another, and the final success of the character portrayed by Sheri Crumrine. Directed by Mrs. Schazberger and Marcy Baker, the fact that a fair sized audience attended showed that the play was a success.

Senior Class Play

Many students "flipped" over this year's Senior class production. The play, F.L.I.P.P.E.D. (Female Liberation Idealists Party for Permanent Equality and Democracy), held December 5 and 8, 1973, drew unusually large crowds. As the Pendelton girls (Peg Neu, Cathy Miller, and Meg Horst) were won over slowly, one-by-one, to the F.L.I.P.P.E.D. Party, their parents and loved ones schemed to get them back. The cast, under the direction of Mrs. Schaszberger and student director Sheri Crumrine, worked very hard and acted out a contemporary production to be remembered by many at Suburban in the years to come.

Foreign Exchange Student

When I return to Norway, I will always remember my year in the U.S. My best experience this year has been meeting all these wonderful people. Some of the other things that I have really enjoyed here at school are senior lounge, lunch parties, football games, Homecoming, etc.

Seriously, I know I was lucky when I was sent to Suburban, because I think it would have been very difficult to be as happy or feel so much at home in another place. I just want to say thank you to all of you for making my year here so great.

Love,
Astri

Choir

Although new to Suburban this year, Choir Director Deryl Lutz has done a good job, filling the gap left by Mrs. Kraus' retirement. The choir, like the band, is a very active group. The choir members perform annually in Christmas and Spring concerts. Planned for sometime this year are concerts at all Suburban Elementary schools and at schools in other districts. A few of the more talented students participated in Honors Choir at Elizabethtown College, the District Choir Festival at Juniata High School, and the State Choir in Pittsburgh. "No, No, Nanette," this year's musical is to be performed in April. A concert tour to a New Jersey High School had been scheduled, but was cancelled because of the energy crisis.

Profile

The process of assembling this year's Profile could be summed up in one word, "hectic!" Under the direction of editor-in-chief Wendy Thatcher, the staff has attended many meetings after school and on week-ends in an effort to meet deadlines. Some of their duties include taking pictures, selling yearbooks, doing layouts, identifying fellow students, and writing copy for activities. Wendy and her staff should be commended for their hard work; the work which has made this yearbook possible.

Band

The band is one of the most vital parts of our school. Directed by Arlington P. Kahley, the Suburban band is very well-known and respected, and has been invited to appear at many functions. The band, composed of 160 Marching Knights, began preparation for this year during the summer.

During the school year, it practiced three times a week. Although the band produced a number of shows, the most important was, "I Believe in Music." This year, the Senior High Band hosted the first annual Band Day at half-time of the Hanover-Suburban football game. All bands in the Suburban district were invited to perform with the Suburban Knights.

This year's officers were Tim Good, president; Randy Schauer, vice-president; and Joanne Dosch, secretary.

Clubs

As in other schools, clubs play an integral part in rounding out a student. Suburban's students are offered many opportunities to grow in club experiences. The girls in Health Careers Club assist the nurse by charting weights and filing; this gives the nurse an opportunity to go about her many other obligations. The Blazer and Literary Magazine inform the students about activities and entertain them with student editorials and poems. This year A.F.S. sponsored our exchange student, Astri Plener. P.Y.E.A. has helped students better understand the complexities of the teaching profession. Rifle Club members learn the proper and safe method of handling firearms, while members of the Sign Language Club learn to speak with their hands the language of the deaf. Assisting the front office, serving banquets and helping visitors around the school are some of the duties of the Hostess Club girls. The Planetarium, T.V., and Stage clubs all assist in setting up and planning shows for educational or enjoyment purposes. Assembled in National Honor Society is a group of exceptionally bright and active students.

Student Government

Under the leadership of Earl Bernstine, Jim Fiorelli and Jenny Shearer, the student council enjoyed a more active year than previously. Because meetings were held during the ninth period, more council members attended. Among the more important activities were the starting of a volunteer service and the reinstatement of the student assistance service which is now open to all students. Other projects included Homecoming, Christmas decorations, dances, activity nights, and a gift to Mr. Barron.

Today is now and everything we do now is today.

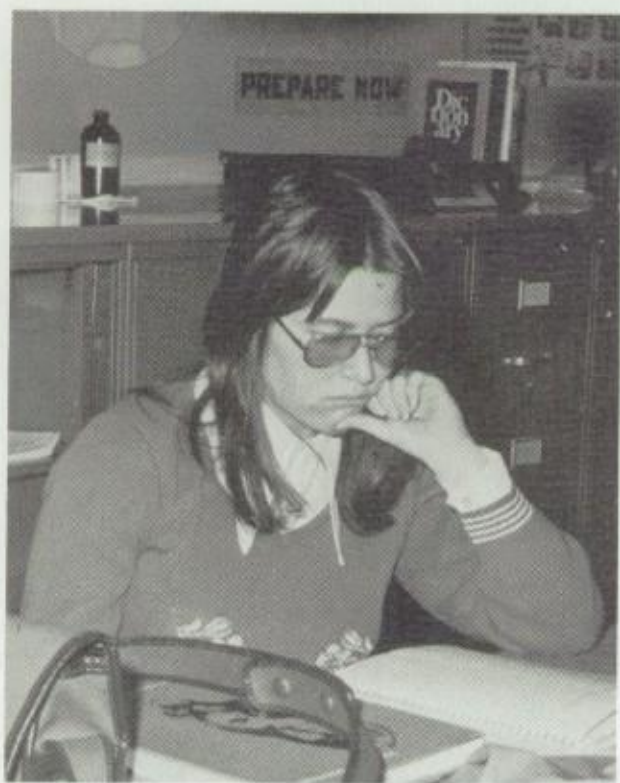

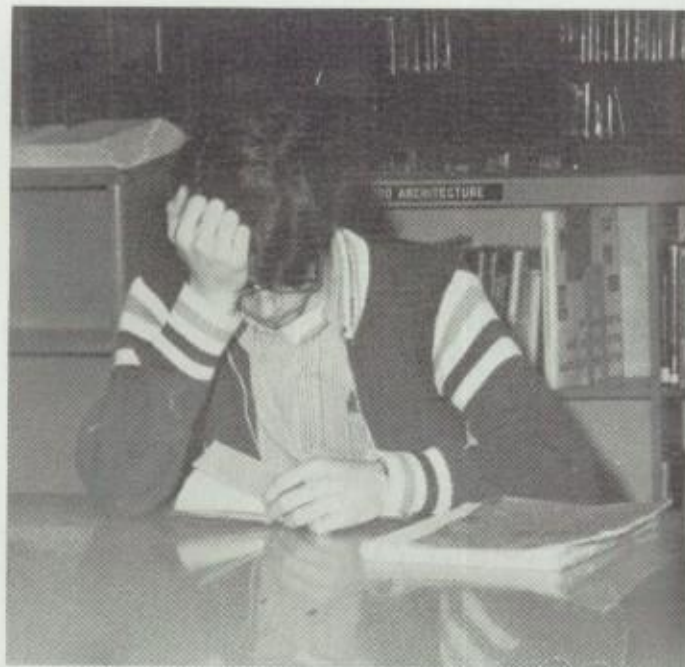

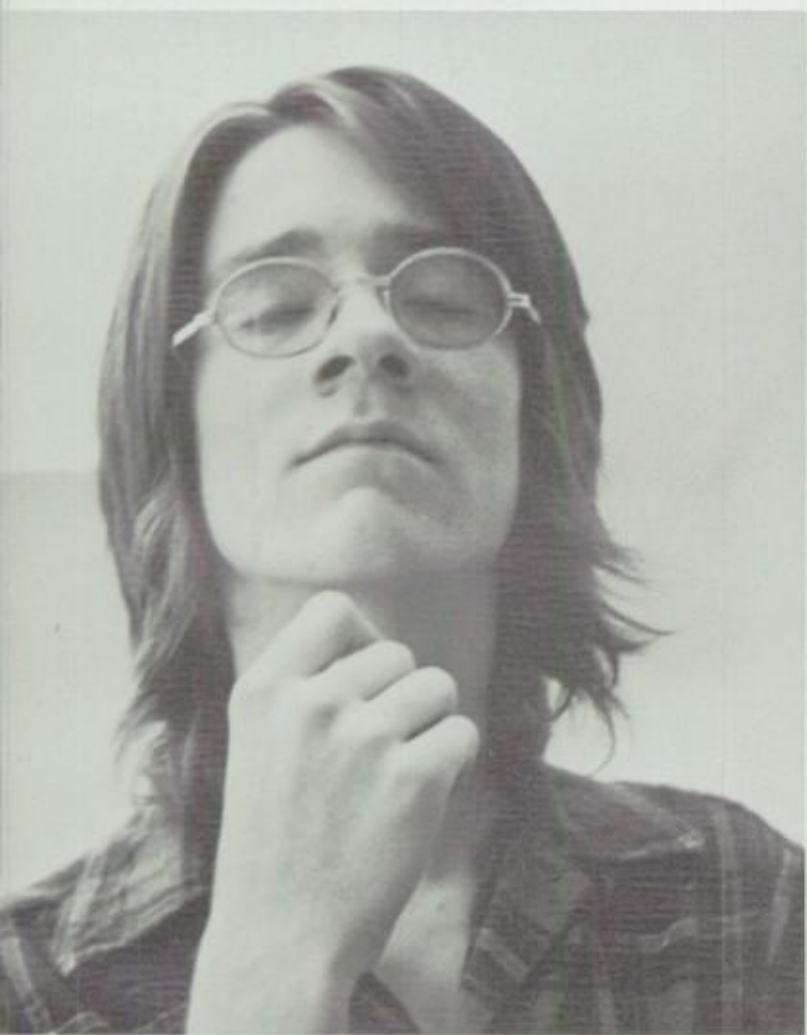

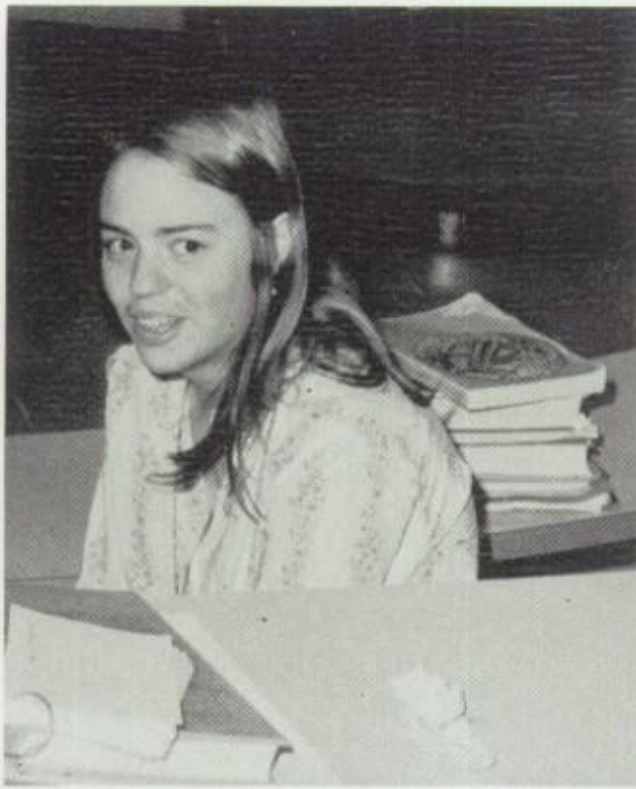

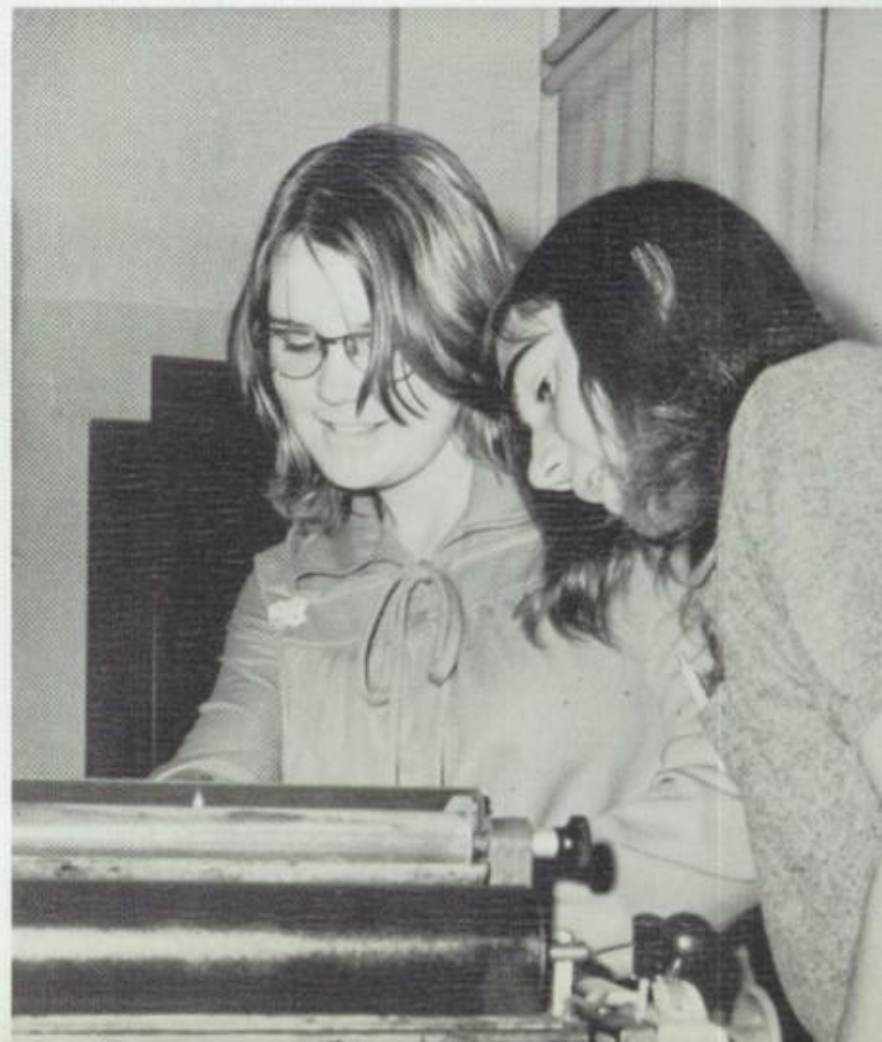

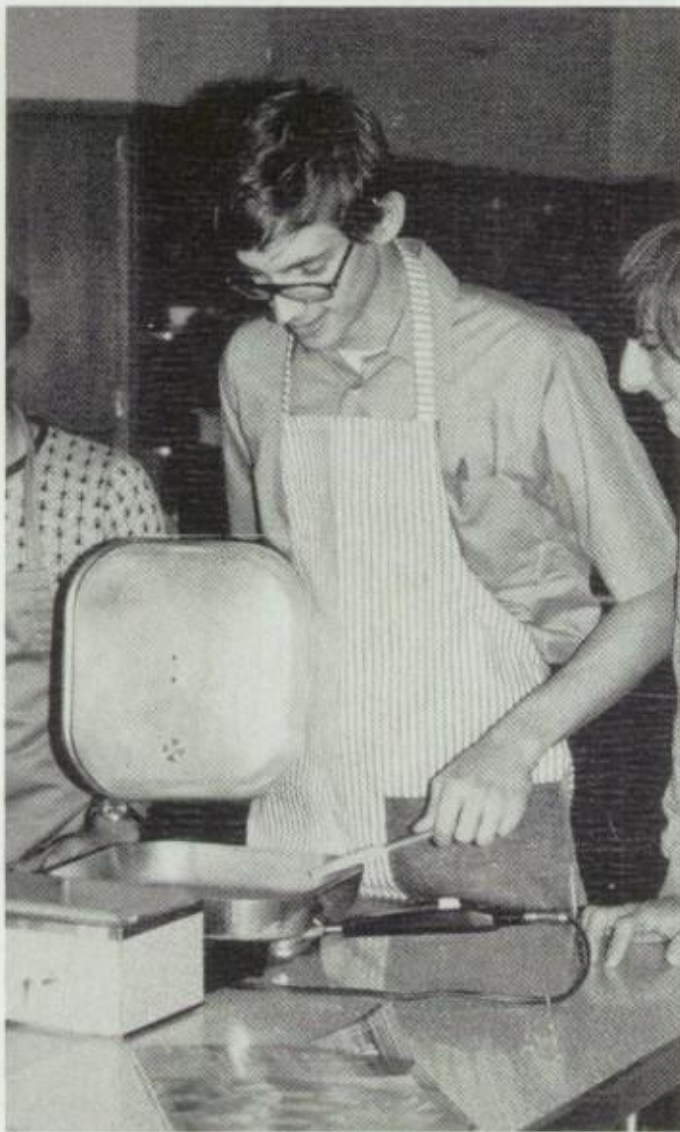

Today is almost over and tomorrow is just around the corner. Who knows what it will bring.

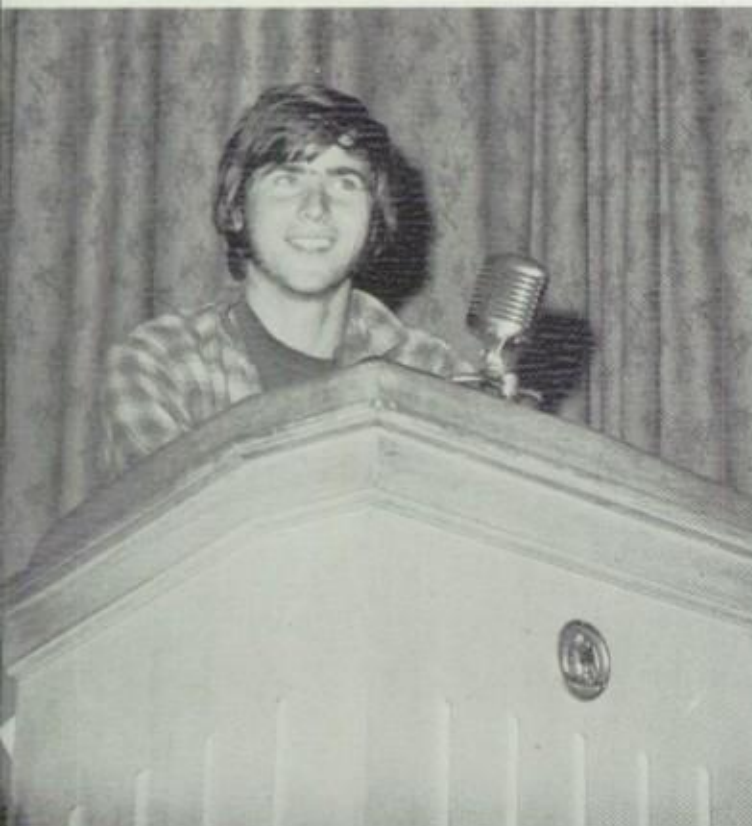

Where will you be?
 What will you be doing?
 Will you be married, working, or at college?

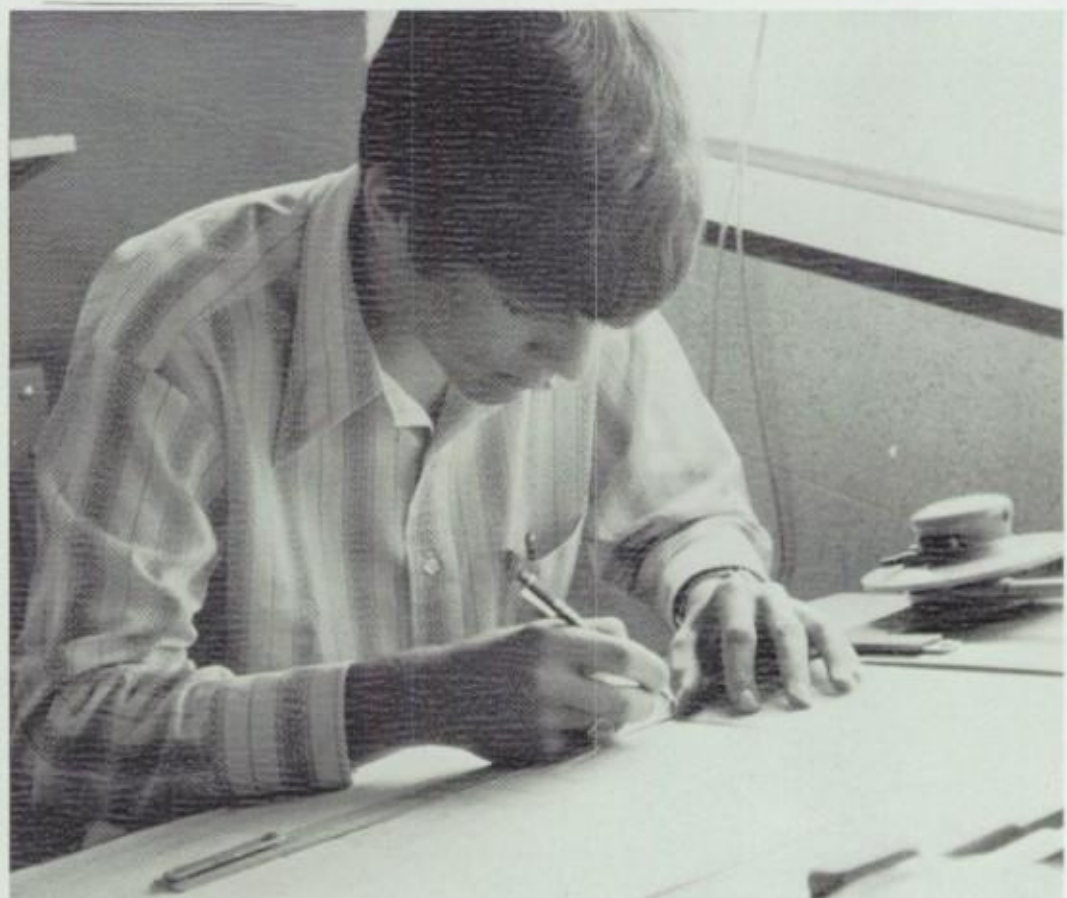

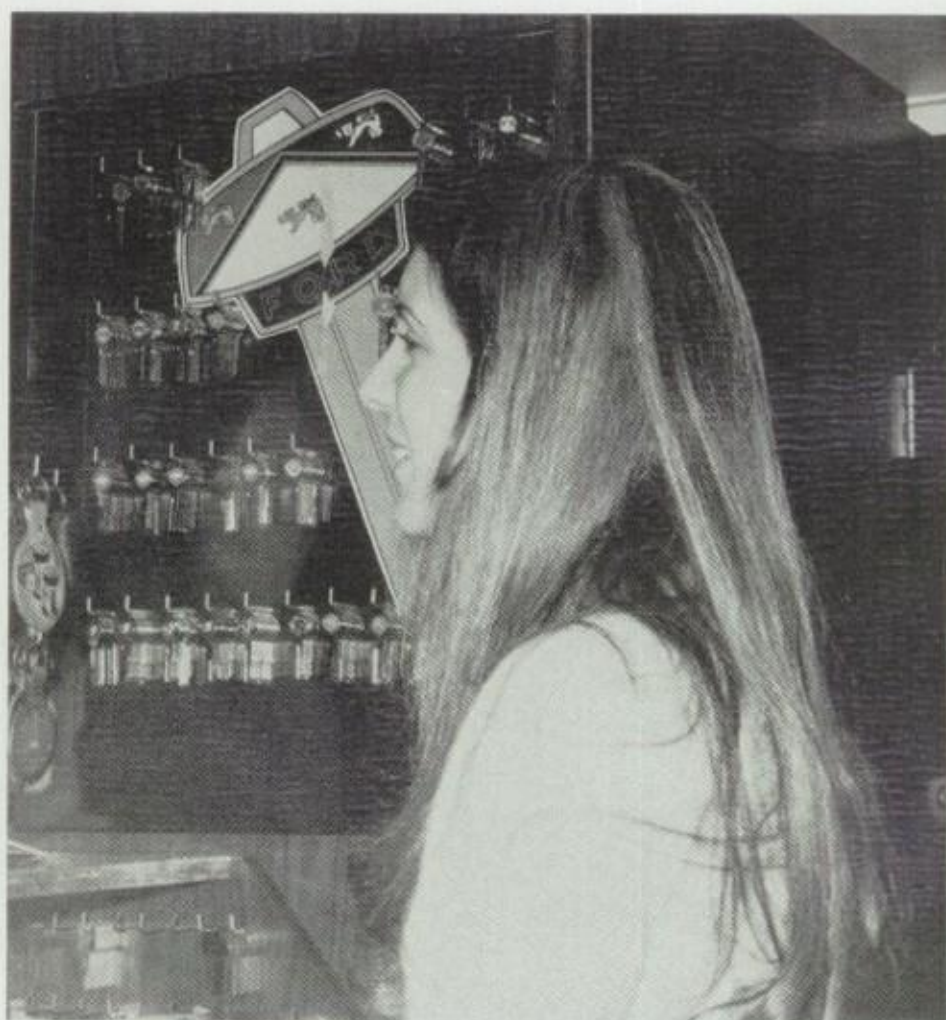

What will you be?

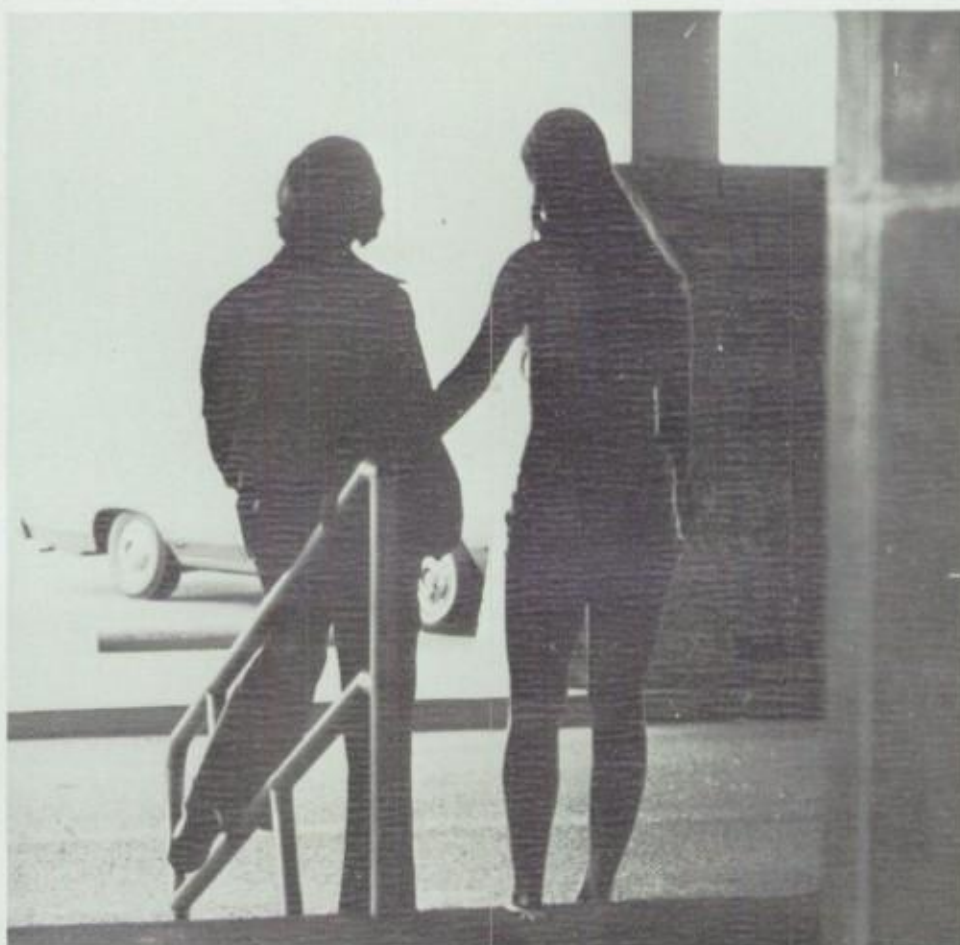

An actor? An actress? An artist? A carpenter?

A chef? A dancer? A draftsman? A movie producer?

A politician? A printer? A salesclerk?

Where will you be?
No one really knows.
One can only guess.
There are so many doors open to you.

Of all great schools under the sun,
YSH is number one.
You don't know how lucky you are
Until you have to travel far;
Where learning isn't even true.
And sports excite not even you.
Better than the rest,
The Trojans are the best.

COLLEGE CREDITS OR TECHNICAL TRAINING?

Where do you go from here? Your high school diploma is a valuable commodity. Are you planning to add to it with either technical training or college credits? Why not both? The Air Force offers young men and women an unprecedented opportunity. WE NOW AWARD COLLEGE CREDITS FOR TECHNICAL TRAINING IN THE AIR FORCE. Our new Community College of the Air Force, which has been accredited by major collegiate associations across the country, offers Career Education Certificates for men and women in technical fields. For example, you will receive 24 semester hours for completing our fine aircraft controller technical school. You may then take 34 semester hours (or more, if you wish) in related college courses. You can then add 6 credits in management. Your total is now 64 hours and you will receive a Career Education Certificate. THIS IS ONLY ONE OF 77 CAREER AREAS IN THE AIR FORCE WHERE THIS IS POSSIBLE. Why not see me for more information? The Community College of the Air Force is a revolutionary idea for people wanting to get ahead. Stop in or call:

Dear Staff,

This yearbook, although plagued with numerous problems, is finished. I'm glad it is completed. It was a big but rewarding job. I can now relax without feeling guilty. Thanks to all who helped especially the one who helped when others wouldn't. Thanks to the one who listened to and understood my problems and fears. Our job is finished and it is time to go on to other experiences.

Wendy
